Beethoven Anguish And Triumph

Daniel Asia

Beethoven Anguish And Triumph:

Beethoven Jan Swafford, 2014 The definitive book on the life and music of Ludwig van Beethoven written by the acclaimed biographer of Brahms and Ives The Last Days of Roger Federer Geoff Dyer, 2022-05-03 One of Esquire's best books of spring 2022 An extended meditation on late style and last works from one of our greatest living critics Kathryn Schulz New York When artists and athletes age what happens to their work Does it ripen or rot Achieve a new serenity or succumb to an escalating torment As our bodies decay how do we keep on In this beguiling meditation Geoff Dyer sets his own encounter with late middle age against the last days and last works of writers painters footballers musicians and tennis stars who've mattered to him throughout his life With a playful charm and penetrating intelligence he recounts Friedrich Nietzsche's breakdown in Turin Bob Dylan's reinventions of old songs J M W Turner's paintings of abstracted light John Coltrane's cosmic melodies Bjorn Borg's defeats and Beethoven's final quartets and considers the intensifications and modifications of experience that come when an ending is within sight Throughout he stresses the accomplishments of uncouth geniuses who defied convention and went on doing so even when their beautiful youths were over Ranging from Burning Man and the Doors to the nineteenth century Alps and back Dyer's book on last things is also a book about how to go on living with art and beauty and on the entrancing effect and sudden illumination that an Art Pepper solo or Annie Dillard reflection can engender in even the most jaded and ironic sensibilities Praised by Steve Martin for his hilarious tics and by Tom Bissell as perhaps the most bafflingly great prose writer at work in the English language today Dyer has now blended criticism memoir and humorous banter of the most serious kind into something entirely new The Last Days of Roger Federer is a summation of Dyer's passions and the perfect introduction to his sly and joyous work Beethoven's Lives Lewis Lockwood, 2020 Beethoven's Lives will be required reading for anyone interested in understanding how Beethoven biography has evolved through the ages When Ludwig van Beethoven died in March 1827 the world of music felt an intense loss The composer's funeral procession was one of the largest Vienna had ever witnessed and the poet Franz Grillparzer's eulogy brought the tensions between the composer's life and music into sharp focus the deaf and aloof genius the alienated and eccentric artist unable to form a lasting relationship with a woman but reaching out to mankind These apparent contradictions were to attract many Beethoven biographers yet to come Here Lewis Lockwood himself a much lauded Beethoven biographer tells the story of Beethoven biography from the earliest attempts made directly after the composer's death to the present day Beethoven's Lives casts a wide net tracing the story of Beethoven biography from Anton Schindler as biographer and falsifier through the authoritative Alexander Wheelock Thayer and down to the present The list includes Gustav Nottebohm the first scholar to study Beethoven's sketchbooks With his work biography could begin to reflect on the inner life of the artist as expressed in his music and in this sense sketchbooks could be seen as artistic diaries Even Richard Wagner thought of writing a Beethoven biography and the late nineteenth and early twentieth century saw the emergence of

French and English traditions of Beethoven biography In the tumultuous twentieth century with world wars and fractured politics the writing of Beethoven biography was sometimes caught up in the storm By bringing the story down to our time Lewis Lockwood identifies traditions of Beethoven biography that today's scholars and writers need to be aware of As Lockwood shows each biography reflects not only on the individual writer's knowledge and interests but also his inner sense of purpose as each writer works within the intellectual framework of his time LEWIS H LOCKWOOD is one of the leading authorities on Beethoven worldwide Having taught at Princeton and Harvard some of his key Beethoven publications include Beethoven The Music and the Life Norton 2003 translated into many languages as well as Beethoven's Symphonies An Artistic Vision Norton 2015 and with the Julliard String Quartet Inside Beethoven's Quartets History Performance Interpretation Harvard University Press 2008 He is known for his studies of Beethoven's life and work including the composer's autograph manuscripts and sketchbooks

Moonlighting Nathan Waddell, 2019-06-27 How and why did the life and music of Ludwig van Beethoven 1770-1827 matter to experimental writers in the early twentieth century Previous answers to this question have tended to focus on structural analogies between musical works and literary texts charting the many different ways in which poetry and prose resemble Beethoven's compositions This book takes a different approach It focuses on how early twentieth century writers chief among them E M Forster Aldous Huxley Wyndham Lewis Dorothy Richardson Rebecca West and Virginia Woolf profited from the representational conventions associated in the nineteenth century and beyond with Beethovenian culture The emphasis of Moonlighting falls for the most part on how modernist writers made use of Beethovenian legend It is concerned neither with formal similarities between Beethoven's music and modernist writing nor with the music of Beethoven per se but with certain ways of understanding Beethoven's music which had long before 1900 taken shape as habit myth cliché and fantasy and with the influence they had on experimental writing up to 1930 Moonlighting suggests that the modernists drew knowingly and creatively on the conventional It proposes that many of the most experimental works of modernist literature were shaped by a knowing reliance on Beethovenian consensus in short that the literary modernists knew Beethovenian legend when they saw it and that they were eager to use it

Observations on Music, Culture, and Politics Daniel Asia, 2021-03-08 This book brings together the collected writings of Daniel Asia from the last 10 years The articles reviews and essays gathered here originally appeared in noted publications such as The New Criterion and Academic Questions and as blog entries with the Huffington Post Topics discussed include classical music universities Judaism politics and American culture All essays are presented in clear and elegant non academic prose and are often imbued with a wry and delicate sense of humor This book is a fine introduction to the current state of high culture in America with an emphasis on classical music and its recent and current best composers As such it is perfect for the curious lay person seeking knowledge in these areas and for academics and their students working in the areas of music composition music history introduction to music sociology politics education American studies and Jewish studies

Mozart Jan Swafford, 2021-11-04 From acclaimed composer and biographer Jan Swafford comes the definitive biography of one of the most lauded musical geniuses in history Wolfgang Amadeus Mozart From his earliest years it was apparent that the singular imagination of Wolfgang Mozart was tirelessly at work He hated to be bored and hated to be idle and he responded to these threats with a repertoire of antidotes mental and physical going at every part of his life with tremendous gusto His circle of friends and patrons was wide encompassing anyone who appealed to his boundless appetites for music and all things pleasurable and fun As a man Mozart was an inexplicable force of nature who could rise from a luminous improvisation at the keyboard to meow like a cat and leap over the furniture He was forever drumming on things tapping his feet seeming both present and apart But he also might grasp your hand and gaze at you with a profound searching and melancholy look in his blue eyes It was as if Mozart lived onstage and off simultaneously a character in life's tragicomedy but also outside of it watching studying gathering material for the fabric of his art Like Swafford's biographies Beethoven Johannes Brahms and Charles Ives Mozart is both wide ranging and intimate in its exploration of a genius in his life and his setting a man who rose from a particular time and place whose art would enrich the world for centuries to come who would immeasurably shape the future of classical music who from his age to ours has stood as the definition of a prodigy As Swafford reveals to understand the evolution of music it is vital to understand this singular genius as a man and an artist

Beethoven's Symphonies in Their Ideal Significance Ernst Gottschald, 1899 *Programs* St. Louis Symphony Orchestra, 1956 Beethoven; a Critical Biography Vincent d'Indy, 1912 *Beethoven* Vincent d'Indy, 1913 **Talking Book Topics**, 2016 *Beethoven: a Biographical Romance* Heribert Rau, 1880 Beethoven: no. 3, 8, 12, 21, 29, 31, 32 Alfred Forbes Milne, 1928 **A Wild Bird** Maud Diver, 1929 *Beethoven's Quartets* Joseph de Marliave, 1928 Remarkably readable and accessible this classic exposition presents a bar by bar theme by theme analysis of all 16 quartets and the Grosse Fuge Joseph de Marliave eschews technical terms focusing on mood and general effects His numerous musical examples 321 in all offer crystalline illustrations of Beethoven's major themes and allow readers to follow every development and embellishment In addition to musicological information the author provides a complete background encompassing dates of composition reactions of contemporary audiences and critics the influences of Mozart and Haydn and Beethoven's transcendence of established forms Scholars will find abundant source material including quotations from other studies of Beethoven personal remarks by the composer and contemporary comments by Beethoven's patrons and friends Clear and detailed analyses in addition to a wealth of documentary material make this book one of the most complete and authoritative studies of Beethoven's quartets as well as one of the most enjoyable Book jacket *The Beethoven Journal*, 2001 *Homage to QWERT YUIOP* Anthony Burgess, 1986 *Musical Studies and Silhouettes* Camille Bellaigue, 1900 **A Report on the Improvement of the Town of Stockbridge** Harold Hill Blossom, 1914 The Violinist, 1916
