Josh Burleson was known as the jokester of his family due to his penchant for finding the humor in life to help him deal with the darker aspects he saw in his job Raised on the family ranch he'd been taught to work hard and play harder And his playtime wasn't limited to just joshin' around with his family and friends As a Navy SEAL he wasn't lacking when it came to available women to spend his nights with when he wasn't off on a mission With him also being one of the Burleson bachelors it wasn't just the frog hogs who chased after him As a single guy he'd had more than his fair share of one night stands starting with the buckle bunnies who offered themselves up back when he was a teenager competing in the team roping competitions of the rodeo with his twin and ending when he met the woman that he fell in instalove with at Christmas As soon as Josh saw Cait walk into his childhood home for a late Christmas celebration he fell head over heels for her But after seeing the toll of military life paid by the relationships of his fellow SEALs Josh knew he couldn't pursue anything with her until after his minimum service requirement was over So Josh did the only thing he could do he started a long distance and leave time friendship with Cait while making plans to get out of the Navy to move home and marry her While home during one of his leave times Josh sent in a DNA sample to an online family tree site like the rest of his family When the results came in he saw an extra person listed as sharing fifty percent of his DNA in the Parent Child section of his DNA match list on the site Floored by the realization that he was a father Josh had to put his plans to build a relationship with Cait on hold He needed to settle the situation with his child and his child's mother before he could commit to moving home to pursue the lovely Cait Cait Campbell wasn't sure she
