Bauman, Psy.D.,2008 Dream Interpretation and Dream Meanings Guide Jayne Omojayne,2016-08-12 The fact that all humans and even animals dream every night or when they sleep cannot be over emphasized Yes interpreting such dreams by dream experts could equally be considered as old as Methuselah or dreaming itself However the fascination of humans is to know what is actually responsible for dreams and indeed what these dreams mean Talking about dream interpretation which can be traced to 3000 4000BC since clay tablets were used to record interpretation of dreams at that time and these tablets were later discovered by archeologists It was also thought that primeval persons had a hard time differentiating between the dream world and the real world as they were thought to believe that the dream world was just an extension of the real world However the dream world was reckoned to be more powerful than the physical world around them Nonetheless the ancient Roman and Greek empires were so passionate about dream interpretation to the point of making sure that interpreters of dreams accompanied military leaders and generals to battle fields This is to the extent that dreams were no taken lightly as dreams where seen by these empires as warnings or messages from their deity The ancient Egypt was not also left behind in the quest for dream interpretation as they believe that dreams have religious connotations and so their priests equally functioned as dream interpreters Yes ancient Egyptians recorded dreams as part of important items in form of symbols or hieroglyphics Again anyone whose dreams seemed significant were believed to be specially blessed people and given preferential treatment as well as were treated as gods Also persons who could interpret dreams were believed to be specially endowed by their gods and were equally treated with dignity in these ancient societies However if we are to refer to the bible you will find that there are over 700 declarations of dreams and persons in biblical who eras equally held dreams in high esteem Thus the fact that dreams and their interpretations are cited in most books of the bible both old and new testaments cannot be over emphasized Well I want to invite you to my world of dream interpretation as you go and get your copy of the book Dream Interpretation and Dream Meanings Guide The Ultimate Dream Psychology and Psychoanalysis for Beginners Seeking Dream Meanings Yes and you can truly start to get the meanings to your dream from today **Freud and Dreams** J Jones,2018-07-12 This is the PDF version of our email course with the sale name It provides all of the lessons minus the online support bonus and final quiz If you need these features too please order the course version This book treats of the dream interpretation method developed by Sigmund Freud as a means to explore the unconscious His method is fully explained by themes and illustrated with many examples of interpreted dreams *The Dream Sourcebook* Phyllis R.
