**Of Prophets, Priests, and Poets** Brian J. Walsh, 2025-12-22 If there is one thing that recent political developments have taught us it is that character doesn't matter The electorate and most tragically most of the white Christian electorate has no problem endorsing people who have none of the virtues or character traits that would be identified with following Jesus In this book of essays and reflections from over twenty five years Brian Walsh asks the question What does Christian formation look like when the gates of hell have not only prevailed against the church of Jesus Christ but the church has in so many ways become the gates of hell

*At Home on the Earth* David Landis Barnhill, 1999-01-01 Today's most important writers and thinkers address the issue of nature and the need for finding a sense of home and nativeness in relation to the land a major work in the ongoing discussion over the importance of simplicity and serenity in our frenetic age **Outback and Out**

**West** Tom Lynch, 2022-11 Outback and Out West examines the ecological consequences of a settler colonial imaginary by comparing expressions of settler colonialism in the literature of the American West and Australian Outback Tom Lynch traces exogenous domination in both regions which resulted in many similar means of settlement including pastoralism homestead acts afforestation efforts and bioregional efforts at belonging Lynch pairs the two nations texts to show how an analysis at the intersection of ecocriticism and settler colonialism requires a new canon that is responsive to the social cultural and ecological difficulties created by settlement in the West and Outback Outback and Out West draws out the regional Anthropocene dimensions of settler colonialism considering such pressing environmental problems as habitat loss groundwater depletion and mass extinctions Lynch studies the implications of our settlement heritage on history art and the environment through the cross national comparison of spaces He asserts that bringing an ecocritical awareness to settler colonial theory is essential for reconciliation with dispossessed Indigenous populations as well as reparations for ecological damages as we work to decolonize engagement with and literature about these places Sharing Our Knowledge Sergei
