Own Your Authority: Follow Your Instincts, Radiate Confidence, and Communicate as a Leader People Trust Marisa Santoro, 2021-04-27

Thrive on risk, speak with intention and be the influential and confident leader you know you are. Too often we get stuck in our heads, focus on the negative and paralyze ourselves with fear. And like clockwork we fail to achieve our goals. The only way to become an effective leader and enjoy career success is by silencing the self-sabotaging thought patterns and learn to trust yourself. Once you've established a trusted connection with yourself, clear on who you are and what motivates you, career opportunities will follow. Former Wall Street executive Marisa Santoro spent years navigating trading floors in an abrasive, male-dominated industry and field where she learned from experience that the key to leadership success is self-trust. Now in *Own Your Authority*, she shares her hard-won secrets to being a resilient leader. Santoro lays out a step-by-step blueprint for building the confidence you need at any stage of your career, whether you are an executive, a mid-career senior professional, an emerging leader, or consultant. Be clear on how you're perceived and how you relate with others. Be willing to act on instinct in the face of fear. Be aware of the instinctive yellow alerts flagging your indecision; they are there for a reason and will help you make the best decision. Trust your intuitive gut, your instinct that helps you make gutsy moves. Speak out and openly express yourself without apology, restriction, or worry about the opinions of others. Self-confidence is a universal prerequisite for being an effective leader. The good news is you're not born with it; you develop it. With *Own Your Authority*, you'll learn to master your mindset, give yourself permission to break through the walls that have held you back, and deliver positive impact to yourself, your team, and your business.
