## Becoming Superhuman Ways Become Superhero:

**The Secret Science of Superheroes** Mark Lorch,Andy Miah,2017-09-14 Ever wondered what a superhero eats for breakfast Do they need a special diet to feed their superpowers The odd metabolisms of superheroes must mean they have strange dietary needs from the high calorie diets to fuel flaming bodies and super speeds to not so obvious requirements for vitamins and minerals The Secret Science of Superheroes looks at the underpinning chemistry physics and biology needed for their superpowers Individual chapters look at synthesising elements on demand genetic evolution and what superhero suits could be made of By exploring these topics the book introduces a wide range of scientific concepts from protein chemistry to particle physics for a general scientifically interested audience With contributions from leading science communicators the book hopes to answer some of these important questions rather than debunk or pick holes in the science of superheroes

**The Mythology of the Superhero** Andrew R. Bahlmann,2016-04-27 Superheroes have been an integral part of popular society for decades and have given rise to a collective mythology familiar in popular culture worldwide Though scholars and fans have recognized and commented on this mythology its structure has gone largely unexplored This book provides a model and lexicon for identifying the superhero mythos The author examines the myth in several narratives including Buffy the Vampire Slayer Green Arrow and Beowulf and discusses such diverse characters as Batman Wolverine Invincible and John Constantine

**Superevil. Villains in Silver Age Superhero Comics** Anke Marie Bock,2023-10-18 Superevil Villains in Silver Age Superhero Comics sheds light on the often disregarded supervillains in the American superhero comic of the 1960s From Loki to Killmonger they all possess famous cinematic counterparts yet it is their comic origin that this study examines Not only did The Silver Age produce countless superheroes and supervillains who have conquered the screens in the last two decades but it also created complex villains Silver Age supervillains were as the analyses in Superevil show the main and only means to include political and societal criticism in a cultural product which suffered from censorship and belittlement Instead of focusing on the superheroes once more Anke Marie Bock pioneers in putting the supervillain as such in the center of the attention In addition to addressing the tendency to neglect villains in superhero comic studies revealing many important functions the supervillains fulfill among them criticizing Cold War politics racism gender roles and the often unquestioned binary of good and evil on the examples of i a The Fantastic Four Spider Man and Black Panther comics

**The Art and Science of Heroism and Heroic Leadership** Scott T. Allison,James K. Beggan,Olivia Efthimiou,2019-06-21 Heroism is a rich elusive phenomenon Any adequate understanding of heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco Blau and Zimbardo 2011 who describe such imagination as a mind set and a collection of attitudes p 13 that can steer everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership demonstrating that

heroic leadership applies the principles of heroism in moving groups toward noble collective goals This eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and imaginations in their scholarship on heroism and heroic leadership **A Necessary Fantasy?** Dudley Jones,Tony Watkins,2021-10-28 This book addresses a variety of issues through the examination of heroic figures in children s popular literature comics film and television **Reality Check Pivot**,2020-09-10 For readers of The Celestine Prophecy this is what you ve been waiting for Reality Check was written for everyone else who knows that we re on the verge of pushing Mother Nature and the economy to the breaking point Reality Check shows the urgent need to reverse humanity s downward spiral by undoing the status quo Half the book is filled with quotes from the likes of Chomsky Sagan Carlin Goodall Soros Orwell Asimov Hegel William James Sting and the Beatles as well as some of the most popular TV shows and movies This over the top attempt to avert an evolutionary crash hopes instead to turn the situation into an evolutionary bounce by galvanizing members of the so called choir who already understand that the status quo needs to be revamped Otherwise civilization as we know it won t last much longer The book addresses everything from parenting to economics political systems to global warming and general environmental destruction as well as sociology history and God It s time for a reality check What are you waiting for

**Love, Sex, Gender, and Superheroes** Jeffrey A. Brown,2021-11-19 With examples taken from both the Golden Ages of DC and Marvel comics as well as more recent superhero comics films television and merchandising this study provides a comprehensive look at the contradictory messages the superhero genre sends about love sexuality and gender **Social**
