The Making of a Prayer Warrior Barbara L. Daubon,2011-08 The Making of a Prayer Warrior was written in response to the many people who not only asked me for handouts at the end of a presentation at prayer conferences but also send me prayer requests from time to time The book aims to address the rudiments of prayer using the Bible as the main reference I tried to cover in simple basic terms enough information to take the baby Christian from a life of no prayer to being a mighty prayer warrior I have sought to address topics such as What is prayer Biblical examples of answered prayers personal preparation for prayer becoming a prayer warrior the prayer group types of prayers and how to get your prayers answered I have written from my own experience as a praying person and can say with much confidence that God is waiting on us to call unto Him He still stands on His word in 2 Chronicles 7 14 If my people which are called by My name shall humble themselves and pray and seek My face and turn from their wicked ways then will I hear from heaven and will forgive their sin and will heal their land
