## **Becoming A Slave Becoming A Slave:**

To Be a Slave Julius Lester, 2005-12-29 What was it like to be a slave Listen to the words and learn about the lives of countless slaves and ex slaves telling about their forced journey from Africa to the United States their work in the fields and houses of their owners and their passion for freedom You will never look at life the same way again **No fellowship with slaveholders: a calm review of the debate on slavery, in the Free Assembly of 1846, etc** James MACBETH (Minister of Lauriston Free Church, Glasgow.), 1846 A Week in the Life of a Slave John Byron, 2019-07-02 Paul's epistle to Philemon is one of the shortest books in the entire Bible and it certainly leaves plenty to the imagination From the pen of an accomplished New Testament scholar this vivid historical fiction account follows the slave Onesimus fleshing out the lived context of first century Ephesus and providing a social and theological critique of slavery in the Roman Empire *Becoming a Slave* Jack Rinella, 2012 *Slavery in Medieval and Early Modern Iberia* William D. Phillips, Jr., 2013-11-14 The enslaved population of medieval Iberia composed only a small percentage of the general populace at any given point and slave labor was not essential to the regional economy during the period Yet slaves were present in Iberia from the beginning of recorded history until the early modern era and the regulations and norms for slavery and servitude shifted as time passed and kingdoms rose and fell The Romans brought their imperially sanctioned forms of slavery to the Iberian peninsula and these were adapted by successive Christian kingdoms during the Middle Ages The Muslim conquest of Iberia introduced new ideas about slavery and effected an increase in slave trade During the later Middle Ages and the early modern period slave owners in Christian Spain and Portugal maintained slaves at home frequently captives taken in wars and sea raids and exported their slave systems to colonies across the Atlantic Slavery in Medieval and Early Modern Iberia provides a magisterial survey of the many forms of bound labor in Iberia from ancient times to the decline of slavery in the eighteenth century William D Phillips Jr examines the pecuniary and legal terms of slavery from purchase to manumission He pays particular attention to the conditions of life for the enslaved which in a religiously diverse society differed greatly for Muslims and Christians as well as for men and women This sweeping narrative will become the definitive account of slavery in a place and period that deeply influenced the forms of forced servitude that shaped the New World Slavery in Early Modern Philosophy 1500-1765 Julia Jorati, 2026-01-07 Slavery in Early Modern Philosophy 1500 1765 is a resource for scholars and students interested in a deeper understanding of philosophical debates about slavery in early modern Europe and America It contains selected readings that address slavery from a variety of viewpoints slavery as a theoretical issue criticism and defense of slavery the morality of slave rebellions or the obligation to pay reparations and ethical political and philosophical questions about slavery Along with its companion volume Slavery and Race in Early Modern Philosophy 1765 1800 it will appeal to a growing readership engaged with these issues **A Plea for Africa: Being Familiar Conversations on the Subject of Slavery and Colonization** Frederick Freeman, 2025-08-03 Reprint of the original first published in 1837 The Antigonos publishing

house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

*Gender, Genre, and Race in Post-Neo-Slave Narratives* Dana Renee Horton,2022-08-16 *Gender Genre and Race in Post Neo Slave Narratives* provides an innovative conceptual framework for describing representations of slavery in twenty first century American cultural productions Covering a broad range of narrative forms ranging from novels like *The Known World* to films like *12 Years a Slave* and the music of Missy Elliott Dana Renee Horton engages with post neo slave narratives a genre she defines as literary and visual texts that mesh conventions of postmodernity with the neo slave narrative Focusing on the characterization of black women in these texts Horton argues that they are portrayed as commodities who commodify enslaved people a fluid and complex characterization that is a foundational aspect of postmodern identity and emphasizes how postmodern identity restructures the conception of slave owners

*A Compendium of American Criminal Law* Robert Desty,1882      *The Abbot of Morpheus* Gerfarer,2025-10-29 Between the waking world and the quiet depths of sleep lies Morpheus the vast dreamscape of the soul Here a weary Seeker encounters the Abbot a serene voice of timeless wisdom who speaks not as a teacher but as one who remembers Their exchange becomes a mirror of consciousness itself a conversation between ignorance and insight silence and speech time and eternity Through luminous dialogue and poetic reflection The Abbot of Morpheus guides readers into the contemplative heart of existence The Abbot unveils the illusions of ego and identity the deceits of culture and belief and the subtle nature of

divine love that binds all things The Seeker's questions become the reader's own as every word unfolds a deeper remembrance of unity and stillness Written in the tradition of The Prophet by Kahlil Gibran Siddhartha by Hermann Hesse and the meditative teachings of Alan Watts and Eckhart Tolle Gerfarer's voice emerges as both ancient and new philosophical yet tender universal yet intimate This second edition refines and expands upon the original 2024 self published release offering greater thematic clarity polished prose and an enriched glossary of original spiritual language drawn from the author's contemplative cosmology Neither sermon nor scripture The Abbot of Morpheus is an invitation to look inward rather than outward to awaken within the dream and to remember that the holy and the eternal dwell within one's own being For seekers of meaning beyond religion for readers drawn to silence mysticism and the philosophy of consciousness this work offers a rare union of poetry and metaphysics It is a text to be savored slowly returned to often and allowed to speak in the silence
