hatred of Aunare or the Aunare's covert hatred of halfers. She hears their whispers whenever she enters a room and sees her death reflected in their eyes. Amihanna doesn't know who to trust anymore, but she hasn't survived this long by ignoring the warning signs all around her, especially when her instincts are screaming that a familiar choice is coming: flee or fight. Her parents assure her everything is okay, that there won't be any reason for her to fight, let alone flee, but with Amihanna's sudden return, questions arise among the Aunare who should be blamed for the start of a full-scale war with SpaceTech: how much danger will the war bring and is Amihanna truly fit to be the next high queen? Honestly, Amihanna wants to forget all the politics, her betrothal to Lorne, and the possibility of being queen. Her needs are much more basic: All she wants is a solid night's sleep where she doesn't wake up screaming with the phantom pain of her skin burning. All she needs is to live without fear of a mob tearing her away from her family. All she hopes for is a chance to dream of a future instead of constantly fighting for her right to live. And yet somehow, everything she does leads her back to Lorne. He always seems to know when she's about to break under the pressures of her new life. His quiet patience is wearing Amihanna's protective walls down, and she's terrified of what will happen if they fall.

*In Command* Aileen Erin, 2021-02-23. Suspenseful sci-fi with complex world building and a tough-as-nails heroine you'll want to root for. Elizabeth Briggs, NYT Bestselling Author of *Future Shock*. From USA Today Bestselling Author Aileen Erin comes the third book in the now complete Aunare Chronicle. An Aunare Chronicles Novella.

Some days I wake up and can't believe that I'm on Sel Ani or that I've fallen in love with the man from my dreams. I want to stay in bed with Lorne all day where we're safe from everything that's happening. But saying yes to marrying him and becoming the High Queen of the Aunare didn't make all our problems disappear. The Aunare don't understand what happened on Earth thirteen years ago or SpaceTech is capable of. When they question what happened, what I lived through, all the horrors of Liberation Week, I want to scream at them until they realize how blind and ignorant they've been, but I can't. I can't let my anger and frustration take over. I need to find a way to make them understand what the Aunare are up against, because war with SpaceTech isn't just coming. It's already here. And the Aunare are losing. I might not be the High Queen the Aunare wanted, but if they want to win this war with SpaceTech, I'm the Queen they need.

**Infestation** Aileen Erin, 2025-01-21 Invocation is a brilliantly crafted action packed romantasy thriller you won't be able to put down. Erin Michelle Sky Author SAMANTHA I never thought I'd willingly walk into Hell again but I did. I survived and am back where I belong at home. But Gabe my demon dead friend is still missing. And the guilt is crippling me. While I'm laughing and happy with my boyfriend Gabe is suffering. While I'm resting and healing Gabe is being endlessly tortured. But every plan I come up with is a suicide mission. And despite what it sometimes looks like I'm not ready to die. So when my werewolf friends ask me to help their pack with a problem there's no way I can say no even if I'm not ready to jump into another fight. There's a mysterious evil the werewolves can't track and they need me to help them kill it. It's the perfect distraction. The only problem Phoenix a mortal wants to go with me. Even though he's proven he can handle the supernatural I can't help but think nothing good can come from him getting an even better glimpse of how not normal my work life is. But I can't say no to him all I can do is pray. Phoenix is still by my side when this is over. PHOENIX My life pre Samantha was turmoil. Soccer career over. Family life devastated after the loss of my grandmother. Dating Laughable. Every relationship fell apart because the door in my heart had been shut tight. I was unknowingly holding out for the one girl who had completely changed my world. Samantha is it for me my heart knew it before I did. I'd go anywhere as long as it's with her. But her guardian angel Eli said something to me that makes me think something truly terrible will happen to Samantha. And I'm not about to let that happen. I'll do anything to keep her safe. I absolutely loved this book it blew my mind I laughed I cried I swooned it's a heartfelt epic adventure. Sheila Kay Author AUTHOR NOTE The Days of Iron Clay is a spin off the Alpha Girls Series but can be fully enjoyed alone and is best enjoyed in order. Infestation picks up right where Invocation left off. Be sure to read Invocation first.
