Luck,1987    **Becoming One Flesh** C. H. Thompson,2017-05-11 You might be wondering why write a book about sexual intimacy in marriage and share illustrations for husbands and wives to enjoy It is a question that I would like to answer up front God gave the gift of sex for spouses to enjoy for a lifetime The honeymoon was not meant to be a climax in the experience but the beginning of an adventure then on to share full of passion excitement and joy Sex is like a roller coaster as it will have ups and downs as the days years and decades pass It is my belief that the passion that started the relationship should be the one that carries it through all the way to the end instead of the marriage bed becoming stale or joyless This book was written to give a resource for Christians that would spare them the need to go to the world for ideas and possibly be exposed to explicit or vulgar content that would defile I have chosen to write in such a way that any Christian could find the wordings pleasant and learn from them What will you find in the pages of this resource You will find a Bible study for both spouses to do together and illustrations for husbands and wives to try in the marriage bed to spice things up This is the second installment of a two part series that will have different content I want you to enjoy your spouse I want you to make love to your husband or wife I want you to get out of the rut and try new things It appreciates God to use the gift to the max He gave The act of becoming one flesh honors Him And Adam said this is now bone of my bones and flesh of my flesh she shall be called Woman because she was taken out of Man Therefore shall a man leave his father and his mother and shall cleave unto his wife and they shall be one flesh And they were both naked the man and his wife and were not ashamed
