## **Bed Bath And Beyond Kitchen Island:**

**Set for Life** Andrew Ewell,2024-02-06 A hilarious hugely entertaining Jay McInerney author of Bright Lights Big City novel that captures the complexities of marriage art friendship and the fictions we create in order to become the people we wish to be A creative writing professor at a third tier college in upstate New York is on his way home from a summer fellowship in France where he s spent the last three months loafing around Bordeaux tasting the many varieties of French wine at his disposal and doing just about anything but actually working on his long overdue novel A stopover in Brooklyn to see his and his wife s closest friends John a jaded poet turned lawyer with a dubious moral compass and Sophie a once promising fiction writer with a complicated past and a mysterious allure causes further trouble when he and Sophie wind up sleeping together while John is out serenading Brooklyn coeds with poems instead of preparing legal briefs But instead of succumbing to his failures as a teacher writer and husband an odd freedom begins to bubble up Could a love affair be the answer he s been searching for Could it offer the escape he needs from the department chair Chet Bland who s been breathing down his neck Relief from the gossip of colleagues and generational tension with students Respite from embarrassment with his wife Debra Crawford and her meteoric rise as a novelist His escapades might even make the perfect raw material for an absolutely devastating novel which would earn him tenure wealth and celebrity everything he needs to be set for life If only he could be the one to write it A brilliant case of art imitating life Andrew Ewell s sharp witty Richard Russo author of Straight Man debut is a poignant tour de force that asks who owns whose story skewers the fictions created from our lives and others and brings a whole new meaning to the phrase publish or perish
