## Bedded Uploady:

*A Holiday in Bed* J. M. Barrie, 2020-05-12 James Matthew Barrie was born at Kirriemuir Forfarshire on May 9 1860 Kirriemuir as soberly stated by the Encyclop dia Britannica is a borough of barony and a market town of Forfarshire Scotland beautifully situated on an eminence above the glen through which the Gairie flows It lies about five miles northwest of Forfar and about sixty two miles north of Edinburgh The special industry of the town is linen weaving for which large power loom factories have recently been built Mr Barrie has made his birthplace famous as Thrums after hesitating for a little between that name and Whins which is the word used in the earliest Auld Licht sketches Only a part of Mr Barrie s boyhood was spent in Kirriemuir At an early age he went to Dumfries where his brother was inspector of schools He was a pupil in the Dumfries Academy At that time Thomas Carlyle was a not unfrequent visitor to the town where his sister Mrs Aitken and his friend the venerable poet editor Thomas Aird were then living Carlyle is the only author by whom Mr Barrie thinks he has been influenced The Carlyle fever did not last very long but was acute for a time He fervently defended his master against the innumerable critics called into activity by Mr Froude s biography Apart from this Dumfries seems to have left no very definite mark on his mind The only one of his teachers who impressed him was Dr Cranstoun the accomplished translator from the Latin poets and he rather indirectly than directly In the Dumfries papers Mr Barrie inaugurated his literary career by contributing accounts of cricket matches and letters signed Paterfamilias urging the desirability of pupils having longer holidays He was the idlest of schoolboys and seldom opened his books except to draw pictures on them
