**Beethoven's Symphonies** John Bell Young,2008-06 Ludwig Van Beethoven s nine symphonies stand as towering masterworks at the core of the classical canon In Beethoven s hands the symphony expanded dramatically in scope and power in a way that would revolutionise both the form itself and music in general The impact of Beethoven s nine was such that composers long after him would write their own symphonies in his shadow In this book acclaimed Pianist and critic John Bell Young explores each of the nine symphonies always looking beneath the surface for what makes the music so compelling He places them in their historical and cultural context and he describes how the Russian concept of intonatsiia a way of perceiving relationships between the notes can help deepen our appreciation of these pieces The accompanying CD contains selections from all of the symphonies each performance conducted by the legendary Wilhelm Furtwangler

**Liszt** John Bell Young,Claudio Arrau,2009 Franz Liszt was one of the most awe inspiring figures in all of music history As a composer he was experimental and inventive pushing the boundaries of form and harmony As a pianist he possessed breathtaking virtuosity his masterful technique was almost acrobatic Liszt left behind an enormous body of piano music by turns poetic glittering prophetic profound and haunting that failed to command the acclaim it deserved in his lifetime Today however Franz Liszt is widely known as both a brilliant composer and one of the greatest pianists ever

**Brahms** John Bell Young,2008-09 Unlocking the Masters In this survey of Brahms s music John Bell Young explores in depth the composer s private world of musical intimacies that infuriated Wagner but inspired Schumann Schoenberg and millions of music lovers for generations to come He also addresses a controversial issue long neglected by biographers and critics Did Brahms sire an illegitimate child and in the absence of concrete evidence did he leave behind clues in his allusion rich music Accompanying the book is a CD featuring rare performances of Wilhelm Furtwangler alongside brand new recordings of three extraordinary pianists
