Before I Break By Portia Moore:

Wrecked Portia Moore,2014-06-14 **If I Break** Portia Moore,2015 This is not your typical happily ever after Lauren Brooks wants to do three things Escape the small town she grew up in get accepted to her dream school in Chicago and graduate without drowning in debt Now she's working her ass off to do just that With a full course load and a waitressing job at one of the hottest night clubs in Chicago she does not have time for distractions namely ones who only want to get into her pants She's been burned before Only a fool goes for a second round With just two semesters left until graduation everything's on track Until she meets Cal Enter distraction At six foot two with ebony hair deep grey eyes and a smile that could only hide an agenda she knows he's trouble And for the first time in her life a little trouble might be just what she needs No what she wants It isn't like she'd ever marry the guy Until she does What she thinks will be her happily ever after is only the beginning Cal has a secret One that makes loving him come with a price and being his wife cost more than she bargained for

If I Break 3 Book Bundle Portia Moore, This bundle includes the prequel to IF I Break Before Him If I Break Before I Break and Almost Broken Think of the worst breakup you ever had If it didn't end with your boyfriend asking you for a threesome the day after taking your virginity I've got you beat All I've ever wanted was to experience a love like my parents had They told me all those stories about love when I was a little girl and how it's the key to living happily ever after Well I started to think those were all lies Love is a trick and it doesn't exist Who needs romance when it only ends with you crying your eyes out So I went on strike two years straight no love no men and it was going well But then this guy Steven smiled at me and then his best friend Michael kissed me and well this story is so complicated there has to be a good ending to it Right Or maybe my Fairy Godmother's a major bi tch *What Happens After* Portia Moore,2015-08-21 He was forbidden I knew it He was never mine to have He belonged to someone else His heart wasn't free to give Still I craved him I begged him for it His love was addictive Our time was never enough He shattered my world like I'd shattered everyone else's It was all fun and games before I didn't think about what would happen after **Almost Broken If I Break #2** Portia Moore,2015 Lauren Brooks fell in love with Cal Scott at 21 married him at 22 and had her heart broken at 23 when he walked out of their marriage At 25 while raising their daughter on her own Lauren is finally moving on with her life until she learns the reason for Cal's abandonment The walls she had carefully built around her begin to collapse The day she meets Chris all those feelings she thinks she has bottled up tightly come spilling out She can't afford to give in to her heart's desire again Love nearly broke her once and her daughter doesn't need two broken parents Christopher Scott is in love and newly engaged to Jenna who saw him through an illness he didn't think he could survive He's finally settling into the life he's always wanted and he's making plans he only dared to dream before now That's when a woman named Lauren arrives on his doorstep She's intriguing beautiful and try as he might he can't stay away The closer he gets to her the more his rock solid plans begin to crumble All he knows is that Lauren is the missing piece to a puzzle he must solve For him to put all the pieces in place he'll

have to follow his heart and that might cost him everything *Almost Broken* Portia Moore,2015-07-13 Authors Note This is the second book in the IF I BREAK series I would highly suggest reading the series in order The first book in the series is currently free Lauren Brooks fell in love with Cal Scott at twenty one married him at twenty two and had her heart broken at twenty three when he walked out of their marriage At twenty five while raising their daughter on her own Lauren is finally moving on with her life until she learns the reason for Cal s abandonment The walls she had carefully built around her begin to collapse The day she meets Chris all those feelings she thinks she has bottled up tightly come spilling out She can t afford to give in to her heart s desire again Love nearly broke her once and her daughter doesn t need two broken parents Christopher Scott is in love and newly engaged to Jenna who saw him through an illness he didn t think he could survive He s finally settling into the life he s always wanted and he s making plans he only dared to dream before now That s when a woman named Lauren arrives on his doorstep She s intriguing beautiful and try as he might he can t stay away The closer he gets to her the more his rock solid plans begin to crumble All he knows is that Lauren is the missing piece to a puzzle he must solve For him to put all the pieces in place he ll have to follow his heart and that might cost him everything

Beautifully Broken Portia Moore,2015-07-12 The conclusion to the If I Break Series Cal s back and his arrival changes everything Lauren knew it was coming but what she didn t think he d bring with him was an ultimatum A choice One that Lauren feels trapped under A choice she s unsure will make a difference but could possibly change everything The ultimatum isn t the only thing Cal s got with him but answers The ones Lauren so desperately craves But the truth won t only affect the lives of he and Lauren but everyone around them and not everyone wants the truth to come out The good thing is Cal doesn t give a F There s two sides to every story In this one there s three *Moore's Rural New-Yorker* ,1903 *Her* Portia Moore,2019 *Before I Break* Portia Moore,2014 Authors Note Though this could be read as a stand alone I highly recommend reading the first book in this series titled If I Break first Out of the past six years of my life I only remember about half of it After a dozen doctors and thousands in medical bills I was diagnosed with a rare neurological disorder one that causes me to lose track of time Sometimes it s hours days or even weeks with no recollection of anything The good thing is it s been almost two years since I had my last black out It sounds much better than what the doctors refer to them as episodes like my life is a freakin comedy During those two years of normal I finally managed to get my Bachelor s degree a job I love and I ve just proposed to a woman who has been there for me through it all For the first time in a long time everything is on track Until a strange woman shows up at my door she says I m her husband and I think she s crazy Until I get a voice mail on my phone It s from a guy name Cal The weird part is it s the same name the strange woman called me What terrifies me is this guy Cal his voice sounds just like mine *Mine* Portia Moore,2019 *Educational Weekly* ,1878
