**Before Sunrise, Before Sunset, Before Midnight** Hans Maes, Katrien Schaubroeck, 2021-05-12 Richard Linklater's celebrated Before trilogy chronicles the love of Jesse Ethan Hawke and Celine Julie Delpy who first meet up in Before Sunrise later reconnect in Before Sunset and finally experience a fall out in Before Midnight Not only do these films present storylines and dilemmas that invite philosophical discussion but philosophical discussion itself is at the very heart of the trilogy This book containing specially commissioned chapters by a roster of international contributors explores the many philosophical themes that feature so vividly in the interactions between Celine and Jesse including the nature of love romanticism and marriage the passage and experience of time the meaning of life the art of conversation the narrative self gender death Including an interview with Julie Delpy in which she discusses her involvement in the films and the importance of studying philosophy Before Sunrise Before Sunset Before Midnight A Philosophical Exploration is essential reading for anyone interested in philosophy aesthetics gender studies and film studies **Engaging Dialogue** Jennifer O'Meara, 2018-04-13 O'Meara highlights how speech can be central to cinema without overshadowing its medium specific components and demonstrates how indie dialogue can instead hinge on an idea of cinematic verbalism **Stuck Moving** Peter Benson, 2023-04-11 AUTHOR'S NOTE This book is unconventional A self conscious experiment in form that draws together two vernaculars anthropological thought and the pop culture of my youth

It is a fraught exercise I write as a White guy about angst and alienation in the privileged spaces of anthropology and higher education I appreciate the irony I hope nonetheless that my experiences with and critical perspectives on social conventions the culture of liberalism and ableism in academia might be useful I seek to expand possibilities of anthropological representation while challenging epistemological aesthetic and professional norms in my discipline It bothers me that anthropology can be so sanctimonious I take aim at the ableist conceit that anthropologists are non characters studying a messy world Much of my life has been a mess My work has been undertaken amid struggles with pregnancy loss bipolar disorder and drug addiction I have deep regrets about my participation in an exploitative field I have deep regrets about many things I have hurt people and been hurt by people I hope my stories and reflections add to what others have already written about a more open honest and self deprecating anthropology **Understanding Screenwriting** Tom
