Psychic Awakening Crystal Stones,2020-01-15 Many people have probably heard the word psychic and psychic abilities However few know how these abilities can actually help you in your everyday life Most of the superstitions that are passed around from generation to generation are derived from misinformation and crude misunderstandings Psychic abilities have rarely been used for dangerous or negative purposes these abilities help you connect with the world around you and help achieve inner peace and connection with others You have most likely heard psychics referred to as mediums wizards spiritualists necromancers witches and clairvoyants Depending on the time in

history you look back on the treatment of psychics has changed Sometimes psychics were consulted by kings and royal families attended to the sick and elderly and presided as the wise one of the tribe Other times psychics were cast out banned and at times burned for their abilities This happened because for individuals of that time that which they did not understand they feared Today psychic abilities are treated much differently psychics are able to advertise their services publicly and many people obtain their services to ask questions about life love and loved ones who have passed away There is a huge misunderstanding when it comes to psychic abilities Psychics are not fortune tellers nor are they the gatekeepers to the dead Using psychic abilities allows you to open your mind and use more of your brain to try and connect to the outside world Currently humans use about 10 15% of the brain power that is within their control Psychics are able to use more imagine the capabilities if we could use 100% of our brain capacity Perhaps it would be too overwhelming but the mind is amazing and perplexing we may never know the brain s full potential We will cover what psychics are what they do where they came from and how to develop your own psychic abilities Everyone has the potential to develop these psychic abilities Have you ever had the experience of predicting when someone is going to call had a dream come true deja vu or knowing what someone else is thinking without them saying anything Using psychic abilities in your everyday life will help you connect better with others understand how others are feeling discover new ideas and increase your happiness Having psychic abilities is sometimes described as living outside one s self being connected to the earth and sky and everything in between You will start to feel energy pushing you or making the hair on the back of your neck stand up you may remember a time you were visiting with your mother and suddenly the phone rings and it s her This is what it feels like and it only gets stronger with more practice learning how to control it and harness it in order to use the abilities for your wellbeing Although it is evident from the practices of the advanced psychics that one can connect to the dead However this book will be focusing on the techniques and methods that will make your living life better You will be able to see various psychic abilities to get more out of the living world around you As you will go through the pages your awareness about the psychic development will enhance The book is full of exciting information and I hope these facts will further enrich your experience of life In this book you will learn more about How to awaken your abilities Psychic training fundamentals Psychic impressions The six clairs of psychic senses and abilities Awakening your higher self Know your chakras Dream interpretation The art of automatic writing Ps
