the beginning of time the Aryan race was a beautiful race of beings from heaven that came to Earth and illuminated as sun
gods upon the Earth Through the thousands of years here on Earth the Aryan descendants were men of great stature
building and ruling over many great civilizations where many tribes idolized their gods for their supernatural abilities and
told many great stories about them In Ancient Greece the Greeks revered the Olympian gods for their immortal powers as
well as their beauty imitating them in many forms of poetry sculptures paintings architecture philosophy which brought forth
the main philosophical theme during Westernization that beauty was defined by nature whatever appeared beautiful on the
outside was considered morally good based on a person s outer appearance During the eighteenth century racial science took
shape stating that people of European stock were more superior to others and this became accepted in the Eastern and
Western worlds Then in the early nineteenth century Nazi Germany rose to power adopting Darwin s theories on race
confirming that the aesthetic appeal of the Aryan race was superior above all other races on Earth Today in the twenty first
century Westernization s influence can be seen throughout the world through movie screens television advertisements and
magazines showing the average good looking person as tall and thin with a narrow shaped face fair complexion fair hair and
