## A Weekend Alone 7:

Healing From Violence Christauria Welland,Neil Ribner, PhD,2008 According to the 2000 Census Latinos accounted for 12 5% of the US population or 35 3 million residents the fastest growing population in the United States The influence of this large and growing demographic can be seen throughout every academic discipline in the numerous books journals and societies on multicultural assessment counseling and research that have begun to appear However one area of inquiry remains largely unexplored domestic violence within Latino families Although it appears that such violence occurs as frequently in Latino families as in Caucasian families little research has been done on this topic and very few counseling programs explicitly developed for Latino families currently exist Healing from Violence fills this void Drawing on a research study of 150 Latino men who completed a year of court ordered treatment in Southern California and a four year pilot study the authors mix quantitative and qualitative methodology in order to provide counselors with an opportunity to hear first hand how Latino partner abusive men think about manhood machismo interpersonal relationships respeto personalismo and simpat a and family life familismo The authors then use these in depth portraits to guide counselors in tailoring treatment plans to the specific needs of Latino men Voices from Healing From Violence How should a Mexican man be Respectful understanding loving responsible A good communicator If a man had all that and his partner too wow It would be great I d like to be like the man I just described the ideal man loving respectful all that Ramon The whole time I ve been in the program I ve been doing something I had never done in my life reflecting and taking stock of my own life Putting the good and the bad in the balance Raul One of the goals of group therapy of any therapy is to give hope Even the man with the worst possible case where he has lost his marriage and custody of his children can learn to use respectful relationship skills at work and in a potential new relationship He may have brought great losses upon himself but his future is not necessarily bleak the Authors    Cue ,1973    **Ebony** ,1978-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
