## **Behind The Kitchen Door:**

*Behind the Kitchen Door* Saru Jayaraman, 2013-01-23 When you work in restaurants you think the industry is everything It's being outside talking to people serving people You feel like you're part of something good People mostly go out to eat for good stuff proposals weddings birthdays not to fight You're part of someone's proposal you bring the ring in an ice cream cake you watch her reaction You feel like you're part of their experience their special moment even if the people don't care who you are you're just the server Sustainability is about contributing to a society that everybody benefits from not just going organic because you don't want to die from cancer or have a difficult pregnancy What is a sustainable restaurant It's one in which as the restaurant grows the people grow with it How do restaurant workers live on some of the lowest wages in America And how do poor working conditions discriminatory labor practices exploitation and unsanitary kitchens affect the meals that arrive at our restaurant tables Saru Jayaraman who launched the national restaurant workers organization Restaurant Opportunities Centers United sets out to answer these questions by following the lives of restaurant workers in New York City Washington D C Philadelphia Los Angeles Chicago Houston Miami Detroit and New Orleans Blending personal narrative and investigative journalism Jayaraman shows us that the quality of the food that arrives at our restaurant tables depends not only on the sourcing of the ingredients Our meals benefit from the attention and skill of the people who chop grill saut and serve Behind the Kitchen Door is a groundbreaking exploration of the political economic and moral implications of dining out Jayaraman focuses on the stories of individuals like Daniel who grew up on a farm in Ecuador and sought to improve the conditions for employees at Del Posto the treatment of workers behind the scenes belied the high toned Slow Food ethic on display in the front of the house Increasingly Americans are choosing to dine at restaurants that offer organic fair trade and free range ingredients for reasons of both health and ethics Yet few of these diners are aware of the working conditions at the restaurants themselves But whether you eat haute cuisine or fast food the well being of restaurant workers is a pressing concern affecting our health and safety local economies and the life of our communities Highlighting the roles of the 10 million people many immigrants many people of color who bring their passion tenacity and vision to the American dining experience Jayaraman sets out a bold agenda to raise the living standards of the nation's second largest private sector workforce and ensure that dining out is a positive experience on both sides of the kitchen door

BEHIND THE KITCHEN DOOR Minerva Wyche Blackwell, 2012-09-13 BEHIND THE KITCHEN DOOR A Shotgun Wedding begins in the rural countryside of North Carolina and takes the reader on an adventure and experiences to some of the most exciting cities that one only hears about From the big historical city of Philadelphia Pennsylvania with all its rich history of America to the tall skyscrapers and exciting nightlife of Manhattan in New York City to the sprawling city of Los Angeles California and to Europe and the romantic La Ville Lumière The City Of Light Paris France and the French Riviera It is a story of love romance racism miscegenation betrayals triumphs and tragedies It is the story of Alene a pretty smart teenager who has to endure a

lot of tragedies in her young life and of her family's struggle in America's rural south from the mid 1920's through the Great Depression in the 1930's dealing with racial segregation and Jim Crow laws. She has to grow up much too fast due to the passing of her mother after giving birth to her baby sister, Alene, who was thirteen and the oldest of eight children. She helped her father to raise her younger siblings until her father remarried. She gets pregnant by her boyfriend, Julius, at age seventeen and tells her father who beats her mercilessly. She and Julius are forced to go to court and tell the judge where they had sex. They are made to marry. She leaves Julius because of beatings and abuse and move up north to Philadelphia, Pennsylvania. On her way up north she experiences first hand Jim Crow laws of the south starting with segregated interstate train cars. Once in Philadelphia she meets four young women and they form a lasting friendship. Alene meets and falls in love with Mitch at a jazz club. She becomes seriously ill with tuberculosis and her father comes and takes her and her little boy back home. Her doctor admits her to a sanitarium for treatment but later tells her and her family that the disease is much worse than he thought. She dies a few months later of the illness. **Behind the Candy Kitchen Door** Jane M. D. Osinski, 1986 **Fantasy**, 1935
