

# Express Gratitude

Communicating appreciation

## Set Uniform Criteria

Rewards should be based on standardized and transparent criteria

## Reward Promptly

This shows employees and colleagues the direct connection between performance and recognition

## Follow Up

Establish a process to ensure that the positive effect of recognition is long-lasting

## Remain Impartial

Don't play favorites; workplace friendships should never play a role in rewarding performance or showing gratitude

## Be Open With Praise

Praise and recognition should be open and transparent

**Music Theory Workbook for All Instruments, Volume One** Bruce Arnold, 2001-04 Using extremely simple language Arnold explains the basics of music theory The exercises require students to write out examples using staff notation Other exercises include simple interval to highly complex chords This book is excellent for any high school student preparing to go to college and major in music performance or composition *Music Theory Workbook for Guitar Volume One* Bruce Arnold, 2001-03 The exercises included here require students to write out examples using staff notation and then to find these notes on the guitar fretboard Other exercises include simple interval to highly complex chords 1st Steps for a Beginning Guitarist Bruce E. Arnold, 2001 The guitar is the most popular instrument in the world yet most students of the guitar are self taught This book is a comprehensive for guitar students who have no prior musical training No matter what type of guitar you play this book will give you the information you need and trouble shoot the various pitfalls that can hinder the self taught musician The author knows from over 25 years of teaching experience that students form most of their good and bad habits in the first six months of practicing It is therefore extremely important to use a method book that clearly and concisely covers the important subjects of proper playing technique tuning picking strumming music theory and rhythm Furthermore the only way a student can remember the information learned is to apply it The hardest part of learning the guitar for a student is switching between chords This unique method book contains chord progressions using both open and barre chords that gradually take a student from a beginning level to an advanced level The publisher's website also has mp3 and midifiles to be played along with for developing the strumming time and feel for each chord progression The chord progressions presented are commonly found in hard rock rock folk blues and country giving the student a solid harmonic foundation in all these styles This method book not only gives you pages of pictures but also gives you access to video clips via the publisher's website to demonstrate playing basics in action The Muse eek Publishing Company believes the education of a student shouldn't stop with the purchase of a book therefore our website offers a FAQ page where students can write in to the author with questions that may and a free member's section where students can download other learning materials to further their education Lines Bruce E. Arnold, 2001-04-01 Arnold's workbook contains sight reading and sight singing exercises for one to four voices Learn part singing or use for multiple voice sight reading Audio files of all exercises can be downloaded for free on the Internet Key Note Recognition Bruce E. Arnold, 1999 *Chord Workbook for Guitar Volume One* Bruce Arnold, **Guitar Clinic** Bruce E. Arnold, 2001-04 Arnold provides techniques he uses in his music clinics and essential information for beginning and advanced students including reading music theory chord and scale construction modal sequencing approach notes reharmonization bass and chord comping and hexatonic scales **Independence** Bruce Arnold, 1997-07 This volume is an instruction book designed for pianists stick and touchstyle guitarists percussionists and anyone who wishes to develop the rhythmic independence of their hands concentrating on quarter eighth and sixteenth note

rhythms and is a thesaurus of rhythmic patterns All examples use one pitch allowing the student to focus completely on time and rhythm The exercises in this book gradually incorporate more and more complex rhythmic patterns making it a useful tool for both the beginning and the advanced student Audio examples for all exercises in the form of midi files can be downloaded from the internet Right Hand Technique for Guitar Bruce E. Arnold,2001-04 Music teacher Arnold presents a method to develop fast pain free right hand technique for guitarist Common right hand picking techniques for scales cross string jumps and sweeps are discussed and 24 exercises are presented with free accompanying audio examples found online
