

# Automobiles Of America

**American Automobile Manufacturers  
Association, Robert Bruce**

## **Automobiles Of America:**

**Driving Around the USA** Martin W. Sandler, 2003-12-04 Capturing the excitement of a nation as it became a driving force in more ways than one Driving Around America is the story of how America's romantic restless spirit found its counterpart in the automobile With Henry Ford's assembly lines lowering the price of cars ordinary people began to travel where and when they pleased with a freedom never before known and the nation would never be the same People moved farther from their work creating suburbs the demand for gasoline increased spurring the growth of the petroleum industry and individual members of families moved far from each other changing the social fabric of the nation From the auto's early beginnings to the commonplace use of cars in all aspects of life today Driving Around America is a fascinating portrait of how America transformed as its citizens were on the move more and more

**Automobiles of America** American Automobile Manufacturers Association, Robert Bruce, 1997-07 As we close the door on the first 100 years of the American auto industry this book serves as an overview of the rise of that industry Filled with significant events in the first 100 years of the automobile this volume presents biographical sketches of

**The Great Book of American Automobiles** Andrew Montgomery, 2002 Explore this encyclopedia of cars complemented by an exciting story about the social and economic climate of American culture This massive 512 page book charts the progress of the automobile in America from 1907 through the explosive automotive creativity of the fifties and the renaissance of the nineties and on to the future of the industry It highlights the work of the big three Ford Chrysler and General Motors and also covers the smaller companies that didn't survive the thirties and forties like Crosley Packard and Studebaker The history of the automobile in America is in many ways the story of the American dream The best and the worst the successes and the failures the classics and the bizarre the cars that America has taken to her heart have defined American culture The ten years following World War I in America saw the birth of mobility for the masses as car ownership changed from being a privilege of a wealthy minority to an essential part of the American way of life Hardcover 9 x 12 512 pages 500 color 20 b w photos
