

The Last Leaf

A few leaves stay for a while on the trees
After their color begins to turn,
And no other leaves seem as gold as these
Not even the ones our bonfires burn
With golden flames in piles on the ground.
A few leaves stay so long that I found
The one last leaf on a tree in the snow,
And when a galloping wind came round
The edge of our house and started to blow
Snow dust to sparkles floating free.
When the wind ran away, almost with me,
And sunshine settled quiet and cold.
There, like a bird, still on the tree
Was that lonesome leaf, no longer gold
But curly and brown and dry and old.

Autumn Shadows And Other Poems

John Greenleaf Whittier

Autumn Shadows And Other Poems:

Autumn Shadows Ryan Griffin, 2015-10-09 Not since Edgar Allan Poe has an author captured the mystery and macabre that lies so deep within all of us. Poem themes include murder, mayhem, suicide, solitude, lost love, zombies, more. Autumn Shadows. Candles flicker in the growing cold. Streets are barren, growing old. An eerie chime sounds from a bell. All alone where the shadows swell. The brilliant moon sits in the sky. As luminescent clouds float by. Dark specters escape from their hell. All alone where the shadows swell. Deafening silence engulfs the town. As falling leaves entrench the ground. The wind then howls a fond farewell. All alone where the shadows swell. Along the path, creeping, crawling. Unseen, silent, and slowly falling. All alone there I dwell. All alone where the shadows swell. **Autumn Shadow** David Stafford-Clark, 1941

Shadow and Substance, and Other Poems Robert Ripley, 1862 **The Raven, The Fall of the House of Usher, and Other Poems and Tales** Edgar Allan Poe, 1898 Responsibilities, and other poems W. B. Yeats, 2021-04-25 In *Responsibilities and other poems* W. B. Yeats presents a profound exploration of the tension between personal desire and social obligation, reflecting the complexities of the human condition in early 20th-century Ireland. The collection showcases Yeats's mastery of imagery and rhythm, adopting a more modernist approach compared to his earlier works. Transitioning from the romanticism of his youth, Yeats crafts a poignant response to contemporary issues, utilizing symbols and allegory to delve into themes of love, aging, and the struggle for identity amidst shifting societal landscapes. W. B. Yeats (1865-1939), a towering figure in modern literature, was deeply influenced by the political tumult and cultural revival of his time. His involvement with the Irish Literary Revival and the Theosophical movement shaped his worldview, enriching his poetic voice with philosophical and spiritual undertones. Yeats's personal experiences, including his tumultuous relationships and his fascination with folklore, similarly inform his poignant reflections on existential themes in this collection. *Responsibilities and other poems* is a must-read for those seeking a nuanced understanding of the intersection between the individual and the collective. Yeats invites readers into a reflective journey that challenges prevailing norms, making this work both a literary treasure and a profound commentary on the human experience. In this enriched edition, we have carefully created added value for your reading experience. A comprehensive Introduction outlines these selected works, unifying features, themes, or stylistic evolutions.
