Bruce Jenner On A Date:

The Kardashians Jerry Oppenheimer,2017-09-19 From the New York Times bestselling author of *Crazy Rich* comes a blockbuster unauthorized biography of one of the most famous and ubiquitous family dynasties in contemporary culture. *The Kardashians* Secrets and scandals of the Kardashians so closely held that not even hard core fans have heard about them are finally exposed in New York Times bestselling author Jerry Oppenheimer's forensic dissection of the infamous reality TV clan. From the curious life of patriarch Robert Kardashian whose family meatpacking business was tainted by scandal to momager Kris Jenner's top secret plan for the future *The Kardashians* reveals the untold definitive story based on two years of investigative reporting and scores of candid on the record interviews ranging from childhood friends to powerful business associates who break their silence for the first time. In the decade since the Kardashians first appeared on the scene millions of speculative words have been written about their drama filled lives. But most has been tabloid hype and gossip column fantasy. Until now Oppenheimer has written revelatory books on such international icons as the Clintons the Kennedys the Hiltons and more and now comes *The Kardashians* the true story that will make headlines and shock even the most loyal fans.

Kim Kardashian Dennis Abrams,2018-07-15 With more than 50 million followers on Twitter and an additional 92 million on Instagram Kim Kardashian is an American phenomenon. Through ambition drive and a masterful use of social media Kardashian has become a television star successful businesswoman and tech entrepreneur with a net worth estimated at close to 150 million dollars. You Will Be Made to Care Erick Erickson,Bill Blankschaen,2016-02-22 Religious liberty is under attack in America. Your freedom to believe may not last much longer. To all those who say they don't care about the culture war Erick Erickson has only one response The Left will not let you stay on the sidelines. You will be made to care. Now the former Editor in Chief of RedState.com joins with Christian author Bill Blankschaen to expose the war in America on Christians and all people of faith who refuse to bow to the worst kind of religion secularism one intent on systematically imposing its agenda and frightening doubters into silence. The book features first hand accounts from Christians who've been punished for their beliefs and the perspectives of concerned thought leaders to make the case that Americans of faith can't afford to ignore what's happening not anymore. *You Will Be Made to Care* offers hope for preserving freedom of conscience with practical steps that believers families pastors church leaders and citizens can take to resist tyranny and experience a resurgence of faith in America.
