He starred in the TV series *The Green Hornet* 1966-67 and became a major box office draw in *The Chinese Connection* and *Fists of Fury*. Shortly before the release of his film *Enter the Dragon* he died at the age of 32 on July 20 1973 which still remains a mystery. This book brings you the best collection of quotes from powerful martial man who changed the entire perspective towards this arts. Beyond Bruce Lee Paul Bowman, 2013-03-26. In order to understand Bruce Lee we must look beyond Bruce Lee to the artist's intricate cultural and historical contexts. This work begins by contextualising Lee examining his films and martial arts work and his changing cultural status within different times and places. The text examines Bruce Lee's films and philosophy in relation to the popular culture and cultural politics of the 1960s and 1970s and it addresses the resurgence of his popularity in Hong Kong and China in the twenty first century. The study also explores Lee's ongoing legacy and influence in the West considering his function as a shifting symbol of ethnic politics and the ways in which he continues to inform Hollywood film fight choreography. *Beyond Bruce Lee* ultimately argues Lee is best understood in terms of cultural translation and that his interventions and importance are ongoing.
