Firme Companera:

Firme compañera Cecilia Urbina, 1994 Enclave Tato Laviera, 1981-01-01 Enclave is Tato Laviera's second book of verse. As in his successful *La Carreta*, Made a U Turn, Laviera celebrates the Puerto Rican experience in New York. While the earlier book focuses on events and scenes, Enclave concentrates on the individual. Laviera provides a gallery of portraits of the indomitable inhabitants of the enclave whose lives are evoked through the soulful rhythmic songs en clave.

Bendición Tato Laviera, 2014-11-30 I think in Spanish I write in English I want to go back to Puerto Rico but I wonder if my kink could live in Ponce, Mayagüez and Carolina. Born in Puerto Rico but raised in New York City, Tato Laviera's poetry reflects his bilingual bicultural Nuyorican existence while celebrating the universality of the human condition and his European indigenous and African roots. Tato Laviera explores identity, community, urban life, oppression, and much more in these multi-layered pieces that spanned his too short life. Many deal with themes specific to the immigrant experience, such as the sense of alienation many feel when they are not accepted in their native or adopted land. In Nuyorican, he writes about returning to his native island only to be looked down upon for his way of speaking. *ahora regreso con un corazón boricua y tú me desprecias me miras mal me atacas mi hablar*. Music and dance are an integral part of Puerto Rican life, permeate Laviera's verse, and pay homage to the Caribbean's African roots. I hear merengue in French Haiti and in Dominican blood and the guaracha in Yoruba and the mambo sounds inside the plena. Including all of his previously published poems and some that have never been published, these are bold expressions of hybridity in which people of mixed races speak a combination of languages. He skillfully weaves English and Spanish and frequently writes in Spanglish. The importance of language and its impact on his identity is evident in poems entitled *Español Bilingüe* and *Spanglish*. Known for his lively energetic poetry readings, *Bendición* represents an internationally recognized poet's life work and will serve to keep Tato Laviera's words and the issues he wrote about alive long after his death. **La compañera traicionada del Rey Alfa** Tessa B.
