**Export and Import Management** Aseem Kumar,2005 Export and Import Management is a well researched student friendly book that proposes to fill the gap between theory and practice for young managers aspiring for challenging

positions in international business. The book is a pioneering effort in this area where only manuals or replicas of manuals have ruled for years. Written in essentially textbook fashion the book presents interesting forays into the exciting world of export and import. The book is divided into 16 comprehensive chapters that take the reader through a sequential journey in export import management. The students will be exposed to conceptual framework, procedural detail and practical aspects of international transactions. Interesting examples, cases and illustrations with reference to details make it full of life. Each chapter lists its objectives in the beginning and presents practical exercises at the end. The students will be able to relate their progress to the listed goals easily. Practical exercises will encourage them to go to the field as well as search the internet for more information. The unique feature of the book is a complimentary CD that contains all the relevant export import forms for practical learning. The book has been planned keeping in view the needs of the students of MBA, PGDM, PGDBM, MIB and other international business courses at PG UG level. It will also prove to be a good resource for faculty members.
