Biographies Powerpoint For Children:

Biography-Driven Culturally Responsive Teaching Socorro G. Herrera, 2022 This popular resource has transformed classrooms for thousands of teachers by providing how to guidance for success with culturally and linguistically diverse CLD students. It illustrates how to use strategies that recognize and leverage all the cultural and linguistic assets that students bring to their learning. This new edition situates biography driven instruction at the intersection of culturally responsive teaching, culturally sustaining pedagogies, and antiracist education. Herrera provides updated vignettes and student work artifacts to reflect the diversity of learners in today's historically and culturally situated spaces. Teaching strategies, tools, and interactional processes provide practical proven ways to restructure classrooms for relational equity. Increased attention on each learner's biopsychosocial history will help educators to cultivate classroom ecologies that nurture and challenge CLD learners to reach their potentials. With lesson planning and strategy templates, tips for grouping students, teacher reflections, assessment aids, a classroom observation tool, and more features to foster classroom and schoolwide change, this edition shows teachers and administrators how to take the next steps toward critical consciousness and authentic relationships that will accelerate content learning and foster more extensive use and development of language. Book Features: Lesson planning guide that can be used with any curriculum; Strategy tools and templates to foster engaged learning; Voices of CLD families that highlight benefits of asset driven practices; Journaling process for critical reflection on assumptions and perspectives; Book study discussion guide to scaffold collaboration and goal setting; Classroom observation tool for coaching, mentoring, and self assessment.

The Primary English Encyclopedia Margaret Mallett, 2017-02-24 This newly updated user friendly Primary English Encyclopedia addresses all aspects of the primary English curriculum and is an invaluable reference for all training and practising teachers. Now in its fifth edition, entries have been revised to take account of new research and thinking. The approach is supportive of the reflective practitioner in meeting National Curriculum requirements in England and developing sound subject knowledge and good classroom practice. While the book is scholarly, the author writes in a conversational style and includes reproductions of covers of recommended children's books and examples of children's writing and drawing to add interest. The encyclopedia includes over 600 entries, many expanded and entirely new for this edition, including entries on apps, blogging and computing, short definitions of key concepts, input on the initial teaching of reading, including the teaching of phonics and the other cue systems, extended entries on major topics such as speaking and listening, reading, writing, drama, poetry, non-fiction, bilingualism and children's literature, information on new literacies and new kinds of texts for children, discussion of current issues and input on the history of English teaching in the primary years, extended entries on gender and literacy, important references for each topic, advice on further reading and accounts of recent research findings and a Who's Who of Primary English and lists of essential texts updated for this new edition.
