of deception and betrayal Bernie Madoff The Inside Story of the World s Greatest Ponzi Scheme reveals not only how one man engineered financial ruin on an unimaginable scale but also why so many believed him It s a story of greed trust blind faith and the timeless vulnerabilities of human nature Perfect for fans of true crime financial scandals and real life stories of power and betrayal this book takes you deep inside the mind of a fraudster and the world he forever changed *Bernie Madoff, the Wizard of Lies* Diana B. Henriques, 2011-08-18 Based on award winning reporter Diana Henriques unprecedented access to Madoff including extensive correspondence and his first interviews for publication since his arrest Bernie Madoff The Wizard of Lies is the ultimate true life financial thriller *Too Good to Be True* Erin Arvedlund, 2009-08-11 The untold story of the Madoff scandal by one of the first journalists to question his investment practices Despite all the headlines about Bernard Madoff he is still shrouded in mystery How did he fool so many smart investors for so long Who among his family and employees knew the truth The person best qualified to answer these questions is Erin Arvedlund In early 2001 she was suspicious of the amazing returns of Madoff s hedge fund Her subsequent article in Barron s could have prevented a lot of misery had the SEC followed up Arvedlund presents a sweeping narrative of Madoff s career from his youth in Queens New York to his early days working for his father in law and finally to infamy as the world s most notorious swindler Readers will be fascinated by Arvedlund s portrayal of Madoff his empire and all those who never considered that he might be too good to be true *The Real Bernie Madoff* Ralph Griffith, 2021-11-30 The Real Bernie Madoff Ralph Griffith wrote a book that no one else could have Sara Stratso November 9 2020 There has been no shortage of books written about Bernie Madoff but Ralph Griffith s book stands out above all the rest because the author and Madoff were incarcerated together for seven years Bernard Lawrence Madoff a prominent Wall Street figure was serving time in North Carolina s Federal Medical Center in FCI Butner Madoff the former chairman of NASDAQ National Association of Securities Automated Quotations Dealers had been sentenced for 150 years for an elaborate multi billion dollars Ponzi scheme targeting investors Griffith had been doing time because of bank robbery and parole violations Both had heart conditions and thus were sequestered together in the federal medical facility Griffith was working in the prison library as the law clerk Griffith humorously describes their friendship with We spent 7 years living in a 60 man unit It did not have the square footage of a decent sized home As such we had a lot of idle time on our hands It does not take a lot of imagination to understand the opportunity that presented itself to me After Griffith writes Picture Bernie Madoff sitting in your living room for seven years he continues to pen an extremely comprehensive expose of the nefarious dealings of Wall Street These dealings according to Madoff are aided and supported by the federal and state governments in the U S and Europe along with various regulatory agencies Griffith is fearless in his critique of corporations politicians and judges He is fond of quoting one of Bernie s favorite sayings It s all a bunch of sh t There is a disclaimer at the beginning of the book on page 2 in which Griffith proclaims All information about the subjects of this book are controlled by the government and financial services industry Anyone who should write and expose these truths

will never be employed in private government or any universities again This in itself is a hook to catch a reader's interest This statement certainly caught my attention An especially important takeaway from this book is that Griffith points out that these villainous practices still continue today

The Real Bernie Madoff Ralph Griffith, 2019-09-29 Ralph Griffith spent 30 years off and on in various federal prisons for bank robberies He began writing 16 years ago and spent 7 years with Bernie Madoff in a small federal medical facility in Butner North Carolina He is the only author who actually knows Madoff personally and his book is the definitive work on Madoff The author having read all the other books written about Bernie was shocked at how ridiculous these other books are In his words They simply put Madoff's photo on the cover and copied articles that had already been written If you want to know the truth about Bernie and how he lives and acts in federal prison this is the only book out there that is for real Therefore the title *The Real Bernie Madoff* is perfectly matched for this book Ralph Griffith has been out now for 2 years and lives with his wife in Vancouver Washington He has also released *MONKEY HOUSE* a prequel to *The Real Bernie Madoff* He is also the author of *Summer of Lover 1967* a Clyde Thomas Novel *Confessions a Johnny Walker Novel* and *Divas a Too Sweet Saga*

Betrayal Andrew Kirtzman, 2009-08-01 From an award winning journalist an accurate and highly readable account of Bernie Madoff and his massive devastating financial fraud *The Wall Street Journal* This is an in depth personal look at the architect of the biggest Ponzi scheme in history and his many victims from celebrities corporations and Palm Beach socialites to everyday people who tragically trusted him with their life savings Unfolding against the backdrop of the Wall Street collapse that finally brought his crimes to light the shocking story of the King of the Swindlers reads like a page turning thriller But it's all amazingly disturbingly true A perfect meld of business details and personalities Kirtzman has perfect pitch when it comes to the agony and shame of the Jewish community for finding such a gonif Yiddish for thief in its midst Time Kirtzman is interested in Mr Madoff himself in trying to understand how this man could betray so many people including longtime friends poor retirees and charities a novelistic you are there sort of narrative *The New York Times*

Madoff Richard Behar, 2024-07-09 Renowned investigative journalist Richard Behar delivers the definitive account of history's largest and longest running financial fraud the scale of the deception beggars belief *New York Post* Some 68 billion evaporated during Bernie Madoff's epic confidence game Two people were driven to suicide in the wake of the Ponzi Scheme's exposure Others went to prison But there has never been a satisfying accounting for how Bernie got away with so much for so long Until now Richard Behar's relationship with Madoff began in 2011 with a simple email request from the conman By the time Madoff died in 2021 he had sent Behar more than 300 emails and dozens of handwritten letters participated in some fifty phone conversations and sat for three in person jailhouse interviews a level of access provided to no other reporter Behar also established relationships with hundreds of regulators prosecutors FBI agents investors Wall Street experts ex employees of Madoff's family members school classmates and others The result is the final word on the criminal behind history's most enduring fraud and on those who believed him covered for

him or locked him up Behar illuminates not only the fraud's origins decades earlier than Madoff claimed in his confession but also the complicity of investors Wall Street insiders family members and some of the largest banks in the US and Europe Shocking infuriating riveting and at times absurdly funny Madoff shows us how Bernie ensnared thousands of investors As Behar's dogged reporting over the last fifteen years makes clear however there aren't many innocents left standing by the end of this tale Just about everyone involved is guilty at a minimum of humanity's most consistent weakness greed

Madoff with the Money Jerry Oppenheimer, 2009-08-17 An intriguing look at Bernie Madoff the man and his scam Madoff with the Money is a deeply disturbing portrait of Bernie Madoff based on dozens of exclusive news making interviews From the values Madoff was taught growing up in the working class town of Laurelton Queens to his high life on Wall Street and the super rich enclaves of Palm Beach and the French Riviera bestselling author Jerry Oppenheimer follows the disgraced money manager's trail as he works his way up the social and economic ladder and eventually scams his trusting clients in a 50 billion Ponzi scheme Through Oppenheimer's in depth reporting you'll discover new revelations in this startling case and become familiar with the trusting victims ranging from non profit Jewish charities to the likes of seemingly sophisticated individuals such as actress Jane Fonda who would like to shake Madoff until his teeth fall out the scion of the Baskin Robbins ice cream empire who lost a bundle and was forced to rent out rooms in his house and New Jersey Senator Frank Lautenberg There's even Madoff's own sister in law and talk show host Larry King who apparently didn't ask the right questions when he invested All lost their much needed life savings while others saw fortunes small and large evaporate in the greedy financial operations of one of history's all time charlatans Madoff With the Money Delves into the details of the illusive man that lost investors billions Weaves stories of Madoff's past with those of the present in an engaging and accessible style Explores how the financial scam that Madoff ran cost individuals and institutions billions of dollars Other titles by Oppenheimer Toy Monster The Big Bad World of Mattel and Just Desserts Martha Stewart the Unauthorized Biography While there may be other books on the Bernie Madoff debacle none digs as deep or goes as far to uncover the truth behind the man and his incredible scam

Crimes of the Century: Bernie Madoff Andrew Ulloa, 2012-02-05 ABOUT THE BOOK In the fall of 2008 at the zenith of the American financial crisis multiple Wall Street firms posted losses reaching into the hundreds of millions These losses represented the beginning of an unprecedented disaster In December of 2008 CNN estimated that Bernard L Madoff Investment Securities LLC was responsible for 50 billion Widely touted as the biggest Ponzi scheme in history Bernard Bernie Madoff lured wealthy investors with promises of high returns only to siphon away funds to finance his own lavish lifestyle He would then replenish his coffers by recruiting more unsuspecting clients After decades of deception the question remains How did Madoff get away with it for so long MEET THE AUTHOR Andrew Ulloa is an attorney who lives and practices in San Jose California EXCERPT FROM THE BOOK Madoff's obsession with access extended beyond recruiting clients The Wall Street Journal documented Madoff's entrance into the world of regulatory agencies Madoff kept close ties with
