Official U.S. Bulletin, 1918 **2 Samuel** John F. MacArthur, 2016-03-29 David is known as Israel's greatest king but he was not a super hero He had to fight many battles to establish his throne and when he did become king he committed murder adultery and brought disaster on his family He was a man with human failings yet he was also a man after God's own heart David depended on God's grace for forgiveness when he stumbled the same grace that is available to us today In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with David's struggle to establish his throne continuing through his sin and repentance and concluding with the tragic rebellion of his son Absalom Studies include close up examinations of Joab Amnon Tamar Absalom and others as well as careful considerations of doctrinal themes such as Obedience and Blessing and being a Man After God's Own Heart

ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts **Second Samuel** Dan Betzer, 1983 **125th Anniversary Alumni Directory Urbana-Champaign Campus 1998** University of Illinois (System). 2 Samuel Second Samuel can be an awkward book to study because it contains so called nasty chapters Uzzah being struck down 6 David's adultery 12 God seeming to approve of the killing of some relatively innocent Benjamites 21 and the Lord inciting David to sin 24 But the problems in these chapters are far from insurmountable especially with the help of a good commentary for example Dale Ralph Davis Looking on the Heart Christian Focus and these small group study notes 1 and 2 Samuel are about how Israel's failing leaders under the Old Covenant the judges are replaced with a king First in 1 Samuel Saul a king who does not love God is given as a chastisement to the people Then in 2 Samuel David a king after God's own heart 1 Samuel 13 14 is given a covenant king whose reign typifies much of King Jesus future reign However as 2 Samuel progresses we also discover that even David falls far far short of being a truly Christlike king From the true stories in 2 Samuel we are movingly challenged about our own hearts our relationship with God and our submission to King Jesus Each study in this manual is designed to take less than an hour if done in a group of around half a dozen people Larger groups will tend to take longer Regular weekly

small group meetings can easily cover 2 Samuel in about a year allowing for holidays It is not assumed that 1 Samuel was studied previously but obviously that would usually be the best plan All participants may have their own copy of these notes which have spaces for writing in the answers to the questions This encourages regular attendance by group members The leader uses the same study material but will need to do some preparation beforehand Song suggestions are included with each study Sometimes there is a piece of optional homework to do **The Philosopher's Index** ,2008 Vols for 1969 include a section of abstracts **Opening Up 2 Samuel** Jim Newheiser,2014 **The Book of Second Samuel Discipleship Bible Study** Spring of Water International Ministries,2023-10-30 Spanish Version The Second Book of Samuel W.G Blaikie,2020-08-02 Reproduction of the original The Second Book of Samuel by W G Blaikie **The Second Book of Samuel** William Garden Blaikie,1898 2 Samuel Richard Davis Phillips,2018 Discover 2 Samuel Steve L. Petroelje,2012-08-02 The book of 2 Samuel continues the story of David in the era of kings in Israel Despite David s anointing many years earlier his life is complicated by power plays and spiritual struggles murder political intrigue rape incest betrayal rebellion that dog Israel as God strives to build a nation that can bring his blessing to all others In this part of the story we find more of God s promises fulfilled and we see again how God remains faithful even though his people are often unfaithful through the line of David the Savior of the world will come *Alleged Discrepancies of Second Samuel* Traugott H.
