Bio 10 Practice Guide:

[Study Guide for Psychology](#) David G. Myers, Richard O. Straub, 2009-04-03 Longtime Myers collaborator Richard Straub provides an updated study guide for the new edition **Best practice guidelines for the rehabilitation and translocation of gibbons** International Union for the Conservation of Nature and Natural Resources (IUCN), Clare O. Campbell, Susan M. Cheyne, Benjamin M. Rawson, 2015-05-28 Rehabilitation and translocation programmes are increasingly becoming an important component of conservation action plans for threatened species. Translocation can help address gibbon conservation issues. Gibbons are recognized as one of the most threatened primate families globally by allowing gibbons held in captivity to be rescued, rehabilitated and then returned to the wild. These guidelines for the translocation of gibbons have been developed in collaboration with stakeholders in hylobatid conservation. This process was initiated during a workshop on gibbon rehabilitation, reintroduction and translocation, facilitated by the IUCN SSC PSG Section on Small Apes (SSA) and the result of this process is the current document which is based on shared knowledge and experience to date. The guidelines are designed to be a practical and useful document available for all stakeholders with the aim of equipping field projects and decision makers with the tools for scientifically sound practice in gibbon rehabilitation and translocation. **Psychology, Eighth Edition, in Modules Study Guide** Richard Straub, 2006-08-03 Longtime Myers collaborator Richard Straub's study guide is customized to follow the modular format and contents of the text *Psychology: First Canadian Edition Study Guide* Richard O. The Study Guide also includes three self tests, one of which encourages students to think critically about the chapter's concepts, answers with page references for the self tests, and explanations of why a choice is correct or incorrect, and a Focus on Language and Vocabulary section which explains idioms and other phrases used by David Myers in the text that may not be clear to some readers.
