**James - Living a Life of Faith** Angie K. Smith, 2014-06-01 This in depth yet highly interactive verse by verse study of the book of James has been written for women desiring to dig deeply into God's Word It may be used by ladies who want to study alone or as part of a group In addition there is an accompanying version that has been adapted for men While the illustrations and questions are unique to each gender the lesson material and theology in each study are identical allowing men and women to study in separate groups or together The options for how individuals or groups may use these studies are virtually limitless These studies uniquely present the powerful pages of James in language that can be easily understood and applied as we face suffering temptation guilt favoritism conflict gossip fear doubt and much more DISCOVER How we view trials and respond to them determines what God can do in and through us Our faith must be sincere and active or it will be found dormant and useless Partiality has no place in Christ's church and therefore should have no place in the Christian life The tongue reveals what is in the heart it can be a source of conflict and strife or peace and gentle wisdom GROW Your perspective on trials suffering and temptation will be challenged You will begin to view all you do say and believe through the lens of Scripture versus tradition or opinion You will be encouraged to see yourself and others through the light of God's grace rather than the lies of the enemy You will be inspired to live an actively passionate life for the God you were created to glorify Also Available James Living a Life of Faith A Bible Study for Men [The Book of James Bible Study Journal](#) Bible Study Bible Study Journal, Matthew Irons, 2017-07-07 The Book of James Bible Study Journal is an easy to use Bible study tool to allow you to enhance your study reflect on God's Word take notes express your feelings about the Bible text or display your creativity with sketches and artwork This Bible study journal includes passages from the book of James in easy segments for study This book is great for individual study or to be used in a group This is an excellent gift for someone in your Bible study group family member friend or for your own personal use *James* Phyllis J. Lord an evangelical Bible study guide on the book of James There is no better way to grow in spiritual maturity than faithfully serving God and His people and no better example of a devoted servant than James the brother of Jesus James makes it clear that serving the Lord means putting faith into action in tangible ways that produce healthy fruit Faith that consists merely of good intentions or intellectual assent is incomplete or dead Authentic faith always produces evidence of holy living and good deeds by the grace and power of the Holy Spirit such as Mercy ministry to the poor Protecting the defenseless Rejecting worldliness Praying for the sick and much much more Christians are to let all kinds of trials become tests that strengthen their faith and yield righteous works not to earn salvation but to give evidence of it The result is spiritual perseverance that leads to eternal glory It may not make sense to the rest of the world but believers count troubles as pure joy because in Christ their troubles ultimately have a redemptive purpose Today is the day to see for yourself what a practical difference Serving the Lord can make in your walk with God     Study: Rvbs Book of James Rose Publishing, 2018-06-14 The Book of James This informative introduction to the book of James summarizes the main themes of temptation and spiritual maturity controlling the tongue patience in prayer and faith in action Helpful charts summarize the dangers to believers responses that lead to maturity and spiritual benefits of perseverance Capitalizing on the recognized excellence of Rose s visual elements Rose Visual Bible Studies are packed with charts graphs images and fascinating facts These Bible studies are easy enough that the new believer understands but in depth enough that the longtime churchgoer still comes away learning something new     *The Book of James* Vince Miller, 2021-06-30     **James** John MacArthur, 2006-09-05 The Mac Arthur Study Guide Series provides a twelve week verse by verse examination of the books of the New Testament This revised and updated series continues to be one of the best selling study guides currently available for individuals or small groups     **James - Bible Study Book with Video Access** Matt Chandler, 2022-03-28 Understand that works don t save us rather good works follow true faith as our beliefs and actions line up with each other     *James - Teen Bible Study Book* Matt Chandler, 2018-06 James Faith Works is a 13 session Bible study for 7th to 12th grade students that goes verse by verse through the Book of James     James in the Suburbs April Love-Fordham, 2014-08-04 Do you consume God s blessings or do you share them Most Christians are consumers We are obsessed with knowing the right theology and following the right set of rules in hopes that God will bless us Yet no matter how much God blesses us we are still looking for more James says our faith is dead But there is another type of Christian one who craves being put to work as the servant of God to share God s blessings with others Their faith spurs them on to become the hands and feet of Christ James says their faith is alive James in the Suburbs is far more than your ordinary Bible study guide It is also a parable an energizing story of the lives of six men and women that wraps itself around the Epistle of James making its teachings immediately applicable to modern life You will walk away with not only a thorough understanding of the epistle but also the unforgettable story of people just like you whose lives the Holy Spirit turned upside down This book can be read casually by an individual or studied within a group The final chapter

provides everything readers need for a guided twelve week study If you are using James in the Suburbs as a small group or church wide study there are some free handouts and planning information that you might find helpful at [aprillovefordham.com](http://aprillovefordham.com)
