Boomers The Final Solution:

Boomers! the Final Solution Daniel Horne, 2015-02-01 The Maricopa County Attorney and Sheriff mysteriously close a case of officer involved homicide less than 48 hours after the shooting. Newspaper reporter Dianna Holmes becomes suspicious of a cover up and enlists her former college professor Jack McGlamary to help her solve the riddle. Dianna doesn't know that Professor McGlamary has a secret. He saw the shooting and the officer involved the sheriff's nephew planted a gun on one of the victims to make it look like a case of self defense. When 3 envelopes appear in Dianna Holmes' possession containing evidence of corruption deep within state and county government Dianna and the Professor are sent along a new path of investigation. A for profit prison company has convinced the state legislature that they can save Arizona's struggling economy with a plan to house America's Baby Boomer retirees in prison retirement camps. However Billionaire Sang Wu who owns the Chinese company has a secret agenda: euthanize an entire generation of people to feed the world and avoid global economic collapse. The coming election will provide the means for him to build the compounds and start the extermination. A deadly game of cat and mouse unfolds in the final weeks leading up to the critical election. With their careers at stake and possibly facing indictment if the truth is revealed local officials want Dianna and Jack dead. Seeing a world filled with millions of starving youth working to feed a glutinous generation of Boomers in retirement Sang Wu is willing to go to any extreme to ensure that happens.

Low End Harry George Pellegrin, 2014-03-07 *Low End* is an exciting vintage style crime noir novel dealing with modern issues in the style of the classic 1940's mystery writers. *Low End* is murder mystery with a twist involving a least likely detective: a disillusioned New York City musician named Gary Morrissey. Gary finds himself involved in a murder investigation of his own making when shadows of government corruption and hints of premeditated genocide are cast over a friend's murder. The author's own experiences are reflected in his lead character whose love for New York City and for its less than attractive suburbs and citizens emanates from every page and whose musical knowledge and expertise provide a unique background for the events that unfold. Some mild language and violence no sex.

Attempting Normal Marc Maron, 2014-04-08 NATIONAL BESTSELLER Marc Maron is a master of spinning humor out of anguish. Bookforum even when that anguish is pretty clearly self inflicted. In *Attempting Normal* he threads together twenty five stories from his life and near death from his first comedy road trips with a fugitive junkie comic with a missing tooth to his love affair with feral animals his cat rescues are bloody epics to his surprisingly moving tales of lust heartbreak and hope. The stories are united by Maron's thrilling storytelling style: intensely smart, disarmingly honest and explosively funny. Together they add up to a hilarious and moving tale of failing flailing and finding a way. Praise for *Attempting Normal*: I laughed so hard reading this book David Sedaris Funny surprisingly deep laced with revelatory insights Los Angeles Times Superb. A reason that it is a superior example of an overcrowded genre the comedian memoir is Mr Maron's hardheaded approach to his history the wisdom of experience The New York Times Marc Maron is a legend because he is both a great comic and a brilliant mind.
