And Between Lines Bible Recapturing Biblical:

Judgment and Salvation Dustin G. Burlet, 2022-11-03 This book contends the text of the Noachian deluge narrative categorically underscores all God did to preserve life in spite of the disaster Despite the picture of devastation that the narrative depicts the prominent emphasis of the text is on deliverance and redemption i e salvation not judgment The focus of the Genesis flood is acutely bent towards God s salvific rather than punitive purposes The arc of salvation within the flood narrative can be broken down into two main ideas Firstly God s intention for creation is not thwarted and secondly God commits himself to his intentions of creation God s intention for creation can be stated thus the establishment of order via covenant showing the sanctity of human life and the upholding of all life This involves in particular humanity as his image bearers including the lex talionis life for life principle A Christoscopic Reading of Scripture: Johannes Oecolampadius on Hebrews Jeff Fisher, 2016-02-15 The focus of this study is on Oecolampadius s 1534 commentary on the biblical book of Hebrews which derived from his theology lectures at the University of Basel in 1529 1530 Jeff Fisher compares his exegesis with more than twenty five of the most relevant interpreters from the early church to the Reformation He shows that by recovering and adapting an Alexandrian interpretive notion of Christ as the goal of Scripture Oecolampadius s Christoscopic reading of Scripture served as an essential step in the shift toward Reformed interpretative approaches such as that of John Calvin Christian Dogmatics Carl E.
