Of Isaiah Summary:

Isaiah's Servant Poems According to the Septuagint Eugene Robert Ekblad, 1999 This study analyzes the Septuagint version of Isaiah's Servant Poems Isaiah 42:1-8, 49:1-9, 50:4-11, 52:13-53:12 as a translation and unique interpretation of the Hebrew text. The Septuagint version of the Servant Poems is of interest not only because it represents one of the earliest if not the first interpretations of the Hebrew text and thus an important stage in the history of exegesis of these poems but also because this translation operates a transition from Hebrew modes of thinking and expression into a Greek language and context. The Septuagint version of the Servant Poems was cited by New Testament writers read and commented on as Sacred Scripture by the early Church Fathers and continues to be used by the Eastern Church. This study is a helpful resource to Old Testament, New Testament, and Patristic scholars and theologians alike. The introduction offers a methodology for classifying Septuagint differences to determine the specific exegesis and underlying theology of a given Septuagint text. Differences with the Hebrew text are categorized according to linguistic explanations: style, the translator's difficulty determining Greek semantic equivalents for obscure Hebrew vocabulary, errors or omissions, etc. Hebrew Vorlagen, non-linguistic explanations like contextual and intertextual exegesis, and combinations of linguistic and non-linguistic factors. The author identifies over 270 differences with the Masoretic Text in a presentation of the Septuagint text of each poem side by side with the Masoretic Text. Qumran variants are compared with the Masoretic Text and Septuagint to help classify Septuagint differences to determine which may be signs of the Septuagint's unique exegesis and theology. The Septuagint's numerous differences are bold-faced in the English translation of each poem before the author presents a detailed verse-by-verse literary analysis of the Septuagint in the wider context of Isaiah 1:66 and the Greek Pentateuch. The author argues that the vast majority of Septuagint differences with the Masoretic Text in Isaiah's Servant Poems reflect contextual and intertextual exegesis. The Septuagint version expresses theological perspectives that are at times similar and often distinct from the Masoretic Text. In a final chapter, the author draws on the exegesis of each poem in preceding chapters to present the theology visible in the Septuagint version of Isaiah's Servant Poems, concluding with an appendix that catalogues textual differences between the Septuagint and the Masoretic Text and a biblical index.

The Anatomy of Book of Mormon Theology, Volume Two Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M. Spencer. And of those, none have devoted as much time and effort as he to a theological reading of that sacred text that is, as Spencer writes, how it might shape responsible thinking about questions pertaining to the life of religious commitment. p. 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions. Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns, the essays in this volume ask about what new worlds might be discovered in doing theological work on the Book of Mormon focusing on what Spencer calls microscopic and macroscopic theological readings of the text. Essays

in the first set examine no more than a verse of the Book of Mormon more often just a single phrase or two to see what theological implications lie within the details of the text The second set of essays ask questions about the shape and intentions of the whole of the Book of Mormon as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon

The Christian World Around the New Testament Richard Bauckham, 2017-10-20 Most of these thirty one essays by Richard Bauckham a well known New Testament scholar were first published between 1979 and 2015 in journals and multi authored volumes Two are previously unpublished and one has not been published in English before They range widely over early Christianity and early Christian literature in both the New Testament period and the early patristic period reflecting the author's conviction that the historical study of early Christianity should not isolate the New Testament literature from other early Christian sources such as the apostolic fathers and the Christian apocryphal literature Some of the essays develop further the themes of the author's books on aspects of the Gospels such as the intended audiences of the Gospels the way in which Gospel traditions were transmitted the role of the eyewitnesses in the origins of the Gospels the importance of Papias's evidence about Gospel traditions and the relationship between canonical and Gnostic Gospels Some of the essays relate to important persons such as Peter Barnabas Paul and James These include a full investigation of the evidence for the martyrdom of Peter and an attempt to locate the estate of Publius where Paul stayed on Malta There are studies of the Sabbath and the Lord's Day in both the New Testament and patristic periods There are studies that survey most of the main categories of apocryphal Christian literature including apocryphal Gospels and Acts and with a special focus on the non canonical apocalypses such as the Apocalypse of Peter and the Latin Vision of Ezra

The Universal Eschatological Worship of Jesus Christ in Paul's Letter to the Philippians Surif, 2021-11-05 Philippians 2:6-11 is one of the most significant christological passages to appear in Paul's letters Placing these verses against the backdrop of the Roman imperial cult that flourished in Philippi Dr Surif moves beyond a humiliation vindication or obedience lordship paradigm to focus on the section's culmination in the universal eschatological worship of Christ Examining Paul's eschatological framework throughout Philippians as well as its tradition within Jewish literature more broadly Dr Surif explores the implications for Christians called to obedience suffering and holiness as active participants in God's work of salvation Ultimately Paul is reminding his readers that salvation does not culminate in the resurrection of the dead but the universal worship of Jesus Christ and it is for that worship that they are being prepared
