Mathematics ,1920 The English Teachers RF Duncan-Goodwillie,2020-07-08 English teaching encompasses a variety individuals and contexts Much has been written about their jobs how to teach what to teach etc but very little about the people themselves until now In a series of interviews with current and former English teachers conducted in locations ranging from Rhode Island to Northern Iraq Rory Fergus Duncan Goodwillie provides an insight into the lives of the English teachers *ENGLISH WRITING DEVELOPMENT* LIXIA WEI,2018-02-13 English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is designed as an introductory course in English writing for students teachers and all those who consider writing is important and fun It is based on the author s own experience of teaching English writing to undergraduates who major in English and training students to participate in provincial and national English writing contests Instead of showing the skeleton of writing to readers directly the author integrates the 4MAT Process Approach that she has developed on the basis of the 4MAT learning style and the Process Approach into the design of the book aiming to increase learners motivation by answering why they should learn what they should learn how they should apply what they have learnt and what if the situation changes in each chapter With corpora news and students work as resources to collect sample sentences paragraphs and essays the author elaborates eight main aspects which are writing process writing a paragraph writing an essay methods of paragraph development types of clause types of sentence rhetorical devices paraphrase and summary English Writing Development 4MAT Learning Style and Thinking Visualization Strategies is not only the ideal English writing textbook for students at different levels but also functions equally well as a self tutoring textbook The simple reader friendly explanations coupled with interesting and meaningful examples figures tables and the checklists are of great help for the learners to make progress on their own Armed with the strategies elaborated in the book learners most probably will find that WRITING IS FUN Meaning-Focused Materials for Language Learning Marina Bouckaert,Monique Konings,Marjon van Winkelhof,2019-01-10 This publication is a result of the joint conference held by MATSDA and Fontys University of Applied Sciences the Netherlands in Tilburg in June 2017 MATSDA is an international materials development

association founded in 1993 which serves to bring together researchers teachers materials developers and publishers in an effort to improve the effectiveness of language learning materials The 2017 conference centred on issues related to the development of meaning focused materials for language learning and attracted presenters from twenty five countries stretching from Greenland to Brazil These issues are reflected in the chapters in this volume with each one focusing on a different aspect of meaning focused materials and many of them introducing the reader to previously unexplored facets of the theory of meaning focused instruction and its application to materials development The contributions here are of essential value to post graduate students to teachers to materials developers and to researchers They are written to be academically rigorous but at the same time accessible to newcomers to the field and to experienced experts alike

Personality as a Factor Affecting the Use of Language Learning Strategies Jakub Przybył, Mirosław Pawlak, 2023-05-06

The book explores the relationships between the personality traits of Polish university students learning English as a foreign language and their use of language learning strategies LLS It provides a solid theoretical background for the investigation of the interface between the two constructs describes the applied analytical procedures in detail and reports the results and implications of a large scale study Chapter 1 presents multiple perspectives on the investigation of human personality and presents insights from a selection of studies into the role of personality in foreign language learning Chapter 2 addresses the construct of LLS while Chapter 3 links strategy use to other individual learner characteristics with a focus on personality Chapter 4 sets the methodological framework for the empirical investigation describes the rationale for conducting the study and includes a thorough description of analytical procedures Chapter 5 presents the results of the study and highlights their pedagogical implications Finally limitations of the study are presented and some directions for future research are suggested The monograph will be of interest to scholars investigating the role of personality in SLA as well as graduate and postgraduate students in applied linguistics
