Raven, Susan Singer, Kenneth A. Mason, Dr. Ph.D., George B. Johnson, Professor, Jonathan Losos, Dr., 2013-01-07 Committed to Advanced Placement Biology Committed to Students. Biology is an exciting problem solving presentation of modern biology featuring a diverse author team with a focus on the process of evolution to explain biodiversity. New pedagogical features to guide student learning. Each chapter begins with an outline of the chapter. Learning outcomes are included for every major

topic to help students see the forest for the trees and focus on the main concepts and relationships of the details being presented to them. Scientific Thinking illustrations are highlighted and provide students with questions as well as a hypothesis prediction observation experiment etc as appropriate to guide their thought process and teach them to think like a scientist. Inquiry questions are found throughout the text to push the students further in their ability to think scientifically. Learning outcomes are revisited with a short review prior to moving on to the next major topic. A logically organized summary is available at the end of each chapter for students to use as a quick study tool. End of chapter review questions include Understanding, Applying, and Synthesizing levels. Committed to Biology Teachers: The dynamic author team comprised of Jonathan Losos (Evolutionary Biologist at Harvard University), Ken Mason (Molecular Biologist at University of Iowa) and Susan Singer (Plant Geneticist at Carleton College) have joined forces to move this high quality textbook forward in a significant way for a new generation of students. All three authors have extensive experience teaching undergraduate biology and have used this knowledge as a guide in producing a text that is up to date, beautifully illustrated and pedagogically sound for the student. They have provided clear, explicit learning objectives and more closely integrate the text with its media support materials to provide instructors with an excellent complement to their teaching.
