## **Ap Macroeconomics Crash Course:**

**AP Macroeconomics Crash Course** Jason Welker, 2011-10-13 REA's AP Macroeconomics Crash Course is the first book of its kind for the last minute student or any AP student who wants a quick refresher on the course. Written by an AP Macroeconomics teacher, the targeted review chapters prepare students for the test by only focusing on the important topics tested on the AP Macroeconomics exam. The easy to read review chapters in outline format cover everything AP students need to know for the exam: basic economic concepts, economic performance, inflation, price determination, unemployment, economic growth, and international trade and finance, and more. The author also includes must know key terms all AP students should know before test day. With our Crash Course, students can study the subject faster, learn the crucial material, and boost their AP score all in less time. The author provides key strategies for answering the multiple choice questions so students can build their point scores and get a 5.
