

The book cover features a vibrant, multi-themed background. At the top, a stethoscope and a golden bell are visible. Below them, a butterfly and a green frog are depicted. The bottom half of the cover shows a sea turtle swimming in blue water, with a glowing atomic model to its left. On the right side, there are illustrations of laboratory glassware, including test tubes with colored liquids and a beaker. A large, white, teardrop-shaped area in the center contains the title and authors' names.
