3. Start your campaign with "¡con un millón de dólares..." and then use conditional to say something fancy you would buy.	4. Use the same starter, "¡con un millón de dólares..." and use conditional to say something fancy you would buy instead. Try to top the other idea.
4. Continue with the conditional to name a place that you would travel and who would go with you.	5. Use conditional to name the place you would travel to, but top them with a more emotional person to bring with you.
7. Oh oh, that might make you sound selfish... So use conditional to describe a way you would donate that money = be specific about the cause.	6. You won't be out-done! Use conditional to name your chosen charity and explain why it matters to you.
8. You're desperate, so use conditional to explain how you will use the money to help yourself or others.	10. Last chance = use conditional to say something even more fascinating that you would do with the money.
11. Ask the other contestants if they would believe the promises they just heard.	12. Your choice on how you respond to end your campaign.
