Jeffrey,1995-03-07 Written in layman s terms by prophecy teacher Grant Jeffrey Apocalypse will help you understand the fascinating and mysterious prophecies contained in the Book of Revelation **Apocalypse** Grant R. Jeffrey,1997-04-09 Written in layman s terms by prophecy teacher Grant Jeffrey Apocalypse will help you understand the fascinating and mysterious prophecies contained in the Book of Revelation Apocalypse Grant R. Jeffrey,1994 *One Nation, Under Attack* Grant R. Jeffrey,2012-10-09 Prepare Now for America s Fall The enemies of free market capitalism have launched their final attack History s most powerful nation soon will be reduced to an isolated impoverished country with no influence over international affairs A close reading of prophecy reveals no mention of the United States The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age Prophecy expert Grant R. Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it No longer will other nations count on America to come to their aid Aggressor nations will not have to fear the possibility of U S retaliation because very soon America will be too weak to take action And just at the time when the United States is weakened nearly beyond recognition the Antichrist will unleash his evil rule over the world When America falls the collapse will come rapidly It is to your advantage to know in advance what to look for In *One Nation Under Attack* you will find a workable plan to help you protect your family and your future from the far reaching economic devastation to come **The Moody Bible**

Quest for the Kingdom John M. Newman,2011 A fascinating analysis that blends world history Western religion and Eastern mysticism *Quest for the Kingdom* by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings include specific instructions for the quest to find and live in God s kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient

mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non-generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like *The Kingdom of God* *The War of the Houses* *The Kingdom Is Like a Woman* *Spiritual Cultivation* and *The Exorcisms and Healings of Jesus* the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike *The End of the World* Tom McIver, 1999 This bibliography contains careful and bias-free annotations of close to 3,500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The book's pamphlets, websites, and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven's Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre-1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800-1910 1910-1970 and post-1970 All include full bibliographic information and annotations regarding format type of work theme the author's background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross-references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end-of-the-world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject ***The Universal Jewish Encyclopedia ...*** Isaac Landman, Simon Cohen, 1942 *Bible Reader's Companion* Larry Richards, Lawrence O.
