

AP® Calculus AB Practice Exam

From the 2016 Administration

While students may use the permitted calculators or permitted writing tools, they must do so confidentially, without consulting their neighbors. This Practice Exam is provided by the College Board for AP® Exam preparation. Teachers are permitted to download the materials and make copies for use with their students in a classroom setting only. To ensure the security of these exams, teachers should inform all students that these materials are copyrighted and belong to the College Board.

Partners of institutions, or those individuals capable of the same, College Board and other educational organizations, teachers, and students are permitted to use this Practice Exam for classroom settings. Any educational organization or individual of the College Board is encouraged to print and copy results for the transmission of Practice Exam access to your students, as well as the results of access to other college students with an AP® Teacher Community and Online Grade Report.
