

The book cover features a soft, painterly illustration of a landscape. In the foreground, a person with dark hair, wearing a teal or blue-green jacket, sits on a grassy bank, their back to the viewer. They are looking out over a body of water that is shrouded in a thick, white mist or fog. The water reflects the light from the sky. In the background, a line of trees with green foliage stands against a sky filled with soft, white clouds. The overall mood is contemplative and serene.

Fall From Innocence Memoirs Of The Great Depression:

The Great Depression in Literature for Youth Rebecca L. Berg, 2004-11-17 No area of the United States was untouched by the Great Depression but the severity in which people experienced those significant years depended in large part on where in the nation they lived While dust choked the life out of Americans in the plains apples grew in abundance in the Northwest Unemployment driven poverty robbed urban dwellers of hearth and home while Upper plains farm women traded eggs and chickens like money This bibliography describes the youth literature and relevant resources written about the Great Depression all categorized by geographical location Students educators historians and writers can use this book to find literature specific to their state or region gaining a greater understanding of what the Great Depression was like in their locale The Great Depression was a pivotal period in our nation s history This annotated bibliography guides readers to biographies oral histories memoirs and recollections photograph collections fiction and nonfiction books picture books international resources and other reference sources The Works Progress Administration WPA state guides are included as well as literature about the federal theater arts and music projects A comprehensive listing of museums and state historical societies complement this reference For readers interested in learning about the Great Depression this is a must have resource

This Side of Despair Philip Hanson, 2008 During the Great Depression economic political and social crises converge with a rapidly expanding movie industry to create a product that offers a unique history of the period This text studies 1930s films as a unique and sometimes camouflaged record of the great crisis
