HENRY MILLER

Stand Still Like The Hummingbird

Jay Parini

Stand Still Like The Hummingbird:

Stand Still Like the Hummingbird Henry Miller, 1962 One of Henry Miller's most luminous statements of his personal philosophy of life Stand Still Like the Hummingbird provides a symbolic title for this collection of stories and essays. Many of them have appeared only in foreign magazines while others were printed in small limited editions which have gone out of print. Miller's genius for comedy is at its best in Money and How It Gets That Way a tongue in cheek parody of economics provoked by a postcard from Ezra Pound which asked if he ever thought about money. His deep concern for the role of the artist in society appears in An Open Letter to All and Sundry and in The Angel is My Watermark he writes of his own passionate love affair with painting. The Immorality of Morality is an eloquent discussion of censorship. Some of the stories such as First Love are autobiographical and there are portraits of friends such as Patchen Man of Anger and Light and essays on other writers such as Walt Whitman Thoreau Sherwood Anderson and Ionesco. Taken together these highly readable pieces reflect the incredible vitality and variety of interests of the writer who extended the frontiers of modern literature with Tropic of Cancer and other great books.

Stand Still Like the Hummingbird Henry Miller, 1974-01 Underlined While Reading-1 Sezai ARLI, I was born in December 1954 or January 1955 when the first snow fell as the third child of a Kurdish family living in a remote village of Eastern Turkey. My father died of tuberculosis at the age of 31 when I was six years old. My mother was 34 never married again dedicated her life to her children. From the moment I learned how to read and write I became a passionate reader of the books books on literature books on history books on travel books on philosophy books on memoirs books on biographies books on politics. This book contains some of the literary excerpts that I noted while reading novels short stories memoirs biographies poetry and travel books. These are excerpts of wisdom excerpts of knowledge excerpts of love excerpts of humanity excerpts of beauty excerpts of art excerpts of our strength excerpts of our weakness as human beings. Henry Miller and Narrative Form James Decker, 2006-06-01 In this bold study James M Decker argues against the commonly held opinion that Henry Miller's narratives suffer from formlessness. He instead positions Miller as a stylistic pioneer whose place must be assured in the American literary canon. From Moloch to Nexus through such widely read texts as Tropic of Cancer and Tropic of Capricorn Decker examines what Miller calls his spiral form a radically digressive style that shifts wildly between realism and the fantastic. Drawing on a variety of narratological and critical sources as well as Miller's own aesthetic theories he highlights that this fragmented narrative style formed part of a sustained critique of modern spiritual decay. A deliberate move rather than a compositional weakness then Miller's style finds a wide variety of antecedents in the work of such figures as Nietzsche Rabelais Joyce Bergson and Whitman and is viewed by Decker as an attempt to chart the journey of the self through the modern city. Henry Miller and Narrative Form affords readers new insights into some of the most challenging writings of the twentieth century and provides a template for
