Mann,2004-03-03 Uses the principles of sacred geometry archaeological evidence and Native American legend to discover the site of a secret Templar settlement in Nova Scotia Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus but that he also established a refuge there for the Templars fleeing persecution Shows that the Grail the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene was hidden in the New World In 1398 almost 100 years before Columbus arrived in the New World the Scottish prince Henry Sinclair Earl of Orkney sailed to what is today Nova Scotia where his presence was recorded by Micmac Indian legends about Glooskap This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century With evidence from archaeological sites indigenous legend and sacred geometry handed down by the Templar order to the Freemasons author William F Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World Here they found a safe refuge for the Grail the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene until the British exiled all the Acadians in 1755 *The Master Game* Graham Hancock,Robert Bauval,2011-09-13 The Master Game is a rollercoaster intellectual journey through the back streets and rat runs of history to uncover the traces in architecture and monuments of a secret religion that has shaped the world Pivotal historical events and processes not least the Renaissance the birth of scientific rationalism and the French and American revolutions are radically reevaluated in the light of new investigative evidence presented in The Master Game Even the belief that the United States has a global mission so obvious today may ultimately prove to be less the result of a shortterm reaction to terrorism than the inevitable working out of a covert plan originally set in motion almost two thousand years ago The Master Game refers to a scheme or game played on the world stage to bring about a world order governed by a lofty goal which today we term the Masonic Ideal The Master Game traces the origins of this game of symbols and words and talismans from ancient Egypt all the way to modern times and places it squarely on the elitist Scottish Rite Freemasonry headquartered in Washington DC and ruled by a secretive and powerful brotherhood of men who have attained the thirtythird degree The Master Game exposes this world order s true purpose and more importantly shows how it has affected the United States of America and badly backfired on 9 11 The book is adapted and expanded from the authors earlier outofprint book Talisman *Engaging*
