## **America 2020 The Survival Guide:**

America 2020 Porter Stansberry, 2015-03-11 The United States is destroying itself from the inside out The Corruption of America is a kind of moral decay a kind of greed a kind of desperate grasp for power And it s destroying our nation These corruptions do not need to exist If individual Americans take it upon themselves to become better citizens act with rational self interest and reject the ethos of getting yours we can correct these corruptions That s why Stansberry Research founder Porter Stansberry published America 2020 The Survival Blueprint Many are referring to it as the most valuable book in America I love the book it is so clear and concise Though I have studied a bit about the smartest way to survive what is coming this put all the best ideas together in one place My hat is off to you guys J R Absolutely excellent book I need to buy another 12 for my family and friends K B I read it the first day I had it It is a great book that explains our current situation simply and very accurately I intend to continue to use this book as a guide for investing and I will recommend it to my family and friends L R This is a story all Americans should know about I don t usually buy things off the Internet but I am extremely glad that I made an exception in this case C R

**Critical Theory and the Authoritarian Personality** Geoff M. Boucher, 2025-01-31 The worldwide resurgence of authoritarianism has sparked renewed interest in the Frankfurt School theory of the authoritarian personality not as a topic of academic debate but as an urgent political factor Critical Theory and the Authoritarian Personality brings Theodor Adorno s critique up to date in light of new forms of authoritarian politics recent kinds of authoritarian propaganda and current findings about authoritarian personalities Drawing on the work of Slavoj Žižek and the psychoanalysis of Jacques Lacan this is the first sustained application of psychoanalytic theory to the problem of the authoritarian personality since the classical work of the Frankfurt School It explores a pressing problem the resurgence of the radical Right and proposes new solutions grounded in the idea of an affective approach to authoritarian politics as something based on transgressive fantasies and political anxieties Throughout the book illustrates its theoretical claims with reference to new kinds of authoritarian literature which today forms an important part of right wing propaganda

**Testimony** Jon Ward, 2023-04-18 Ward is consistently clear sighted and perceptive as he charts a genuinely fascinating personal and spiritual evolution Publishers Weekly Jon Ward s life is divided in half two decades inside the evangelical Christian bubble and two decades outside of it In Testimony Ward tells the engaging story of his upbringing in and eventual break from an influential evangelical church in the 1980s and 1990s Ward sheds light on the evangelical movement s troubling political and cultural dimensions tracing the ways in which the Jesus People movement was seduced by materialism and other factors to become politically captive rather than prophetic A respected journalist Ward asks uncomfortable but necessary questions calling those inside and outside conservative Christian circles to embrace truth complexity and nuance He recounts his growing alarm and grief over the last several years as evangelical conservatives attacked truth rejected personal character and embraced authoritarianism and conspiracism He shares his search for a faith that embodies the

values he was taught as a child Ward's experience and reflections will resonate with many readers who grew up in the evangelical movement as well as all those who have an interest in the health of the church and its impact on American life

**Why Me?** Janson Yap, 2022-08-29 The book is a reflection of a post COVID world workplace work and worker It focuses on the stresses COVID has created especially in the context of the accelerated rapidly changing work environment The book adopts a Singaporean perspective in viewing the nexus between the forces of change culture and management as it relates to work In considering how best to increase employee engagement employee motivation and productivity it proposes a framework through which leaders talent practitioners and managers can organise worker collaboration and generate synergy in the process cumulatively encapsulated by the notion of workplace culture The book concludes with a view of the futures of work the main forces of change complex wicked change and a way forward Womanhoods and Equality in the United

States Christen Bryson, Anne Légier, Amélie Ribieras, 2024-03-15 Womanhoods and Equality in the United States explores how the idea of equality has evolved along with the debates that have animated contemporary American women's history This book argues that womanhood is neither a unified concept nor a monolithic experience but rather a multifaceted notion This collection thus looks at this plural dimension of womanhood womanhoods with a special focus on equality as a common goal The authors question what equality means depending on many factors such as race class sexuality education marital or parental status physical appearance and political orientation and address timely issues including abortion rights Black womanhood and sexual violence on college campuses Womanhoods and Equality in the United States is an essential resource for academics and students in gender studies American sociocultural history and the sociology of social movements
