### **Smart Partners** Jim Burba,Bob Hayes,2016-09-06

Most people want partners in their personal lives and many businesses start with some form of partnership structure Yet so many personal and professional partnerships disintegrate sometimes quickly That s one reason why our own partnership seems so amazing even miraculous to people who know us How do you do it they constantly ask How have you spent so many years living and working together 24 7 without killing each other A general business how we did it book Smart Partners outlines the methods and thinking we ve used to achieve financial success while also keeping our personal partnership alive and interesting Drawing on our unique experiences both personally and professionally we present principles for building sustaining and growing not merely serviceable relationships in business and life but true partnerships Partnerships are a big deal not just specific partnerships but the very idea of partnership That s why from the very inception of a relationship partners should proceed slowly cautiously thoughtfully going all in and doing whatever they can to keep the relationship vibrant and healthy They should honor their relationship at every turn and with all their strength No matter what business you re in you can transcend your sense of me to create a very powerful we It s a matter of concentrating on partnership committing to it and embracing the right practices such as choosing your partner well negotiating proper roles planning for your mutual success and adjusting so as to overcome challenges as they arise Fundamentally it s about looking beyond yourself so as to share business and life with another person None of this is easy of course but it s so worth it Read our stories learn our partnership principles and apply them to your life We think you ll discover what we have long known We is better than me And the truth is anyone can
