**Evolve for Growth** Carmen Williams, 2023-12-19 People are often fixed on the idea of developing a growth mindset but a growth mindset is not enough. An evolutionary mindset is needed to accelerate innovation and growth and to ensure long term survival for you, your family, your group, your business, and our society. With an evolutionary mindset, you will ask: What does this say about me? What does an evolutionary mindset say about my leadership ability? What is my purpose for the greater good? With an evolutionary approach, you will be fearless when you view actions based on what they mean in relation to the universe. You will find the courage to forge ahead into the unknown. Where do you want to go? What do you want to achieve? How do you want to lead? What legacy do you want to leave? The more you embrace the science, the more you will be empowered to create a better future. The time is now for you to innovate and EVOLVE FOR GROWTH.
