The Guianas. Haiti. Hawaii. Honduras. British Honduras International Bureau of the American Republics,1897 *The Body and the Blood* Charles M. Sennott,M Sennott,2008-08-05 As the Middle East has gone up in flames no image so captured the clash of cultures as did the siege at the Church of the Nativity where Christian monks were trapped inside the fortress like church as Palestinian gunmen faced off against the Israeli military for five weeks As Muslim and Jew battled for control the Christians were caught in the crossfire endangered and largely forgotten victims of somebody else s war In *The Body and the Blood* Charles M Sennott examines the dwindling Christian communities of the modern Middle East in search of answers to the following questions Why is Christianity dying out in the land where it began And what are the consequences not only for the future of Christianity but for the Middle East itself From Israel to Lebanon to Egypt to Jordan to the ancient cities of the West Bank Sennott finds that the themes resonating today are the same as those that convulsed the region at the time of Christ His frontline reporting is powerful and provocative as he shines a new light on the Middle East **Tales of High Priests and Taxes** Sylvie Honigman,2014-08-22 In the wake of the conquests of Alexander the Great the ancient world of the Bible the ancient Near East came under Greek rule and in the land of Israel time old traditions and Greek culture met But with the accession of King Antiochos IV the soft power of culture was replaced with armed conflict and soon the Jews rebelled against their imperial masters as recorded in the Biblical books of the Maccabees Whereas most scholars have dismissed the biblical accounts of religious persecution and cultural clash Sylvie Honigman combines subtle literary analysis with deep historical insight to show how their testimony can be reconciled with modern historical analysis by conversing with the biblical authors so to speak in their own language to understand the way they described their experiences Honigman contends that these stories are not mere fantasies but genuine attempts to cope with the massacre that followed the rebellion by giving it new meaning This reading also discloses fresh political and economic factors International Conference on the Treatment of Foreigners League of Nations,1929 *The Wall Street Journal* ,2006 *The Nation* ,1871 **v. 1-2. the construction of the particular images of China in each country the author demonstrates that national interests anxieties and issues influenced the way China was framed and resulted in different portrayals of China in each country The author s meticulous analysis of a vast amount of newspaper and magazine articles commentaries editorials cartoons and newsreels that have previously not been studied before also focuses on the transnational circulation of images of China While previous publications have dealt with the occurrence of the Yellow Peril and Red Menace in particular countries Framing China reveals that these images were interpreted differently in every nation because they both reflected and contributed to the discursive construction of nationhood in each country and were influenced by domestic issues cultural values pre existing stereotypes pressure groups and geopolitical aspirations
