Trust Companies ,1929 [The Banker and Financier](#) ,1924 **FBI Law Enforcement Bulletin** ,1935 [The Burroughs Clearing House](#) ,1925 **The Real Deal** Sandy Weill, Judah S. Kraushaar, 2006-10-09 Shortly after we set up shop the four of us and our wives convened at Arthur's home on Long Island to celebrate It was a festive occasion and we all openly shared our aspirations To this day I remember the others stressing over and over their desire to become wealthy Given that Joanie and I were raising two toddlers and lived nearly hand to mouth the talk was certainly seductive Still what I remember most from that dinner was my declaration that the money should be secondary what mattered more to me was to build a great firm one that would lead the industry employ lots of people endure over many years and importantly command respect Over the next forty three years I never altered my priorities The Real Deal The Sandy Weill story is truly one for the ages Starting with 30 000 in borrowed cash in 1960 and relying on uncanny entrepreneurial instincts Sandy created one of the leading securities firms in the U S and became one of the best known businessmen in the world After selling his company to American Express and becoming its president he experienced a professional setback Undaunted he cannily parlayed it into a second career starting over with a sleepy consumer loan company called Commercial Credit which over the next seventeen years he transformed into the leading global bank Citigroup During this span Weill as chairman and CEO delivered an astounding 2 600 percent return to investors better than legendary CEO Jack Welch or investor Warren Buffett during that same period Yet success is never an easy path and Weill divulges the highs and lows His ascent to power has been documented by the media over the years but never before has Weill revealed the brutally honest and unvarnished side of an

astonishing life and career And Weill goes further sharing his love of philanthropy a journey that took him from a mediocre bass drummer in my high school marching band to the chairmanship of Carnegie Hall He brings readers into his personal life introducing them to his wife Joan his daily inspiration and discussing his relationships with competitors and colleagues alike including proteges like Peter Cohen and Jamie Dimon Along the way he shares the most important lessons he learned in business and in life From a middle class Brooklyn childhood to corporate legend philanthropist financier and chairman emeritus of Citigroup Inc The Real Deal tells a remarkable story that of a financial superstar who always loved the game more than the gold

Tearing Down the Walls Monica Langley,2003-03-10 The very night that Sanford Sandy Weill the chairman and chief executive officer of Citigroup was being feted on the floor of the New York Stock Exchange as CEO of the Year the television screens above the floor were flashing danger A congressional panel was tearing into Jack Grubman the 20 million a year telecommunications analyst who worked for Sandy Had Grubman and Citigroup favored corporate clients at the expense of average investors Was Citigroup recommending stocks of troubled companies to get their business The worst scandal of Sandy Weill s long career was breaking around him Here from its very beginning is the riveting inside story of how a rough edged kid from Brooklyn overcame incredible odds and deep seated prejudice to put together Citigroup the world s largest financial empire and to transform financial services in America for better or worse Tearing Down the Walls provides an unprecedeted look at how business and finance are conducted at the highest levels with extraordinary insight into the character and motivations of powerful men and women And it s the enthralling account of the interplay between power and personality Sandy Weill the son of an immigrant dressmaker is a larger than life character a legendary Wall Street CEO whose innovativeness opportunism and even fear drove him from the lowliest job on Wall Street to its most commanding heights Over a span of five decades he has tangled with and usually bested some of the most prominent and powerful titans of finance including the elitist financier John Loeb the mutual fund gunslinger and conglomerateur Gerald Tsai the patrician American Express chairman Jim Robinson and the cerebral banking visionary John Reed A consummate deal maker Sandy Weill amassed and then lost an astounding assemblage of securities firms only to plunge ahead to rebuild his empire and ultimately create the modern American financial services supermarket At the center of Citigroup s recent crises he s the mogul many are waiting to see topple while many more are trying to figure out how he succeeded Using nearly five hundred firsthand interviews with key players in his life and career including Weill himself The Wall Street Journal s Monica Langley brilliantly chronicles not only his public persona but his hidden side blunt and often crude yet unpretentious and sometimes disarmingly charming Tearing Down the Walls reveals Weill s tyrannical rages as well as his tearful regrets the crass stinginess and the unprecedeted generosity the fierce sense of loyalty and the ruthless elimination of potential rivals even those he loves Langley illuminates a climb to the top filled with class conflict Jew against WASP immigrant against Mayflower descendant entrepreneur against establishment and explores the volatile personality that inspires slavish devotion or utter

disdain By highlighting in new and startling detail one man's life in a narrative as richly textured and compelling as a novel Tearing Down the Walls provides the historical context of the dramatic changes not only in business but also in American society in the last half century Compulsively readable it is also essential for understanding the forces that are reshaping the American financial system today **The Southern Banker** ,1929 *Don't Wait for Someone Else to Fix It* Doug Lennick,Chuck Wachendorfer,2023-04-04
