## American Express Payment:

*Payments and Banking in Australia* Nikesh Lalchandani,2020-09-11 This book will Challenge the assumption that banks will continue to control payments and the flow of money Point to the chinks in their armour and where the opportunities lie Examine the technologies and approaches that have begun to disrupt and transform the current model Arm you with the knowledge you need to make sense of and navigate this critical industry as it transforms in innovative and valuable ways For the first time in Australian financial history this book brings together in one place what is under the hood of the Australian payments money and banking systems and is a must read for anyone needing a solid understanding of this critical space Told as a story this is an inspiring and captivating treatise on how Australia s systems work and where the future lies **Paying with Plastic, second edition**

David S. Evans,Richard Schmalensee,2004-12-17 The definitive account of the trillion dollar payment card industry The payment card business has evolved from its inception in the 1950s as a way to handle payment for expense account lunches the Diners Club card into today s complex sprawling industry that drives trillions of dollars in transaction volume each year Paying with Plastic is the definitive source on an industry that has revolutionized the way we borrow and spend More than a history book Paying with Plastic delivers an entertaining discussion of the impact of an industry that epitomizes the notion of two sided markets those in which two or more customer groups receive value only if all sides are actively engaged New to this second edition the two sided market discussion provides useful insight into the implications of these market dynamics for cardholder rewards merchant interchange fees and card acceptance The authors both of whom have researched the industry for more than 25 years also examine the implications of the recent antitrust cases on the industry as well as other business and technological changes including the massive consolidation brought about by bank mergers the rise of the debit card and the emergence of e commerce that could alter the payment card industry dramatically in the years to come System ,1925 Travel Management United States.
